Changed traffic conditions on Bringelly Road near Jersey Road, Bringelly from Friday 14 December

The Bringelly and The Northern Road upgrades will provide easier, faster and safer travel for motorists in western Sydney.

Our work

Roads and Maritime Services is building the new westbound lanes of Bringelly Road near the intersection with Jersey Road. To connect the new road to the existing road, we will remove existing pavement, place new asphalt, carry out line marking and relocate concrete barriers.
This work will take place on **Friday 14 December 2018**, weather permitting, with road users moved onto the new 400 metre section of the road later that day, allowing us to build the eastbound lanes.

**How will the work affect you?**

The work will take place during standard construction hours of **7am to 6pm**. Our work may be noisy at times but we will do everything we can to minimise its impact.

**Traffic changes**

We have included a map to show the changes to traffic flow. Please keep to the speed limits, follow the signs and traffic controllers’ directions.

**Contact**

If you have any questions, please contact our delivery partner Lendlease, on **1800 870 665** or tnrbru2.community@lendlease.com. For more information on our projects, visit [http://www.rms.nsw.gov.au/projects/western-sydney](http://www.rms.nsw.gov.au/projects/western-sydney).

Thank you for your patience during this important work.

**Western Sydney Infrastructure Plan**

The Australian and NSW governments are jointly funding a $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport. For more information on our projects, visit [rms.nsw.gov.au/wsip](http://rms.nsw.gov.au/wsip) or call 1800 703 457.
