Changed traffic conditions on The Northern Road from Wednesday 9 January

The Bringelly and The Northern Road upgrades will provide easier, faster and safer travel for motorists in western Sydney.

Our work

Roads and Maritime Services continues to work on stage two of the Northern Road upgrade, between Peter Brock Drive and Mersey Road. As part of this work, we have completed almost a kilometre of the new southbound lanes of The Northern Road near Lowes Creek.

Traffic will be switched on to this new section of The Northern Road on Wednesday 9 January 2019.
We have also completed three kilometres of the new section of The Northern Road which starts north of Peter Brock Drive, Oran Park on the northbound carriageway.

Traffic will be switched on to this new section of The Northern Road on **Wednesday 16 January 2019**.

Traffic changes

The maps show changes to traffic flow. Please keep to the speed limits, follow the signs and traffic controllers’ directions.
