Night work on The Northern Road between Thames Road and Solway Road, Bringelly from Monday 20 November 2017

The Australian and NSW governments are jointly funding this work as part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services will be carrying out piling and concreting work to build a new bridge over Thompsons Creek as part of The Northern Road and Bringelly Road upgrades.

Piling work will generally be completed during standard construction hours between 7am and 6pm however concreting work will also be required at night between 6pm and 10pm from Monday 20 November to Wednesday 20 December 2017, weather permitting. During this period piling equipment will be delivered to and picked up from the site on up to three nights between midnight and 7am.

We have included a map to show the location of the work.

How will the work affect you?

Our work may be noisy at times, but every effort will be made to minimise the impact on residents and businesses.

Traffic changes

Temporary traffic changes and lane closures will be in place to ensure the work zone is safe. Temporary lane closures may affect travel times during night work.

Traffic control and signage will be in place and motorists are asked to take extra care, and observe all traffic signs when travelling through work areas.

Please keep to displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
