Night work and traffic changes on Bringelly Road between The Northern Road and Kelvin Park Drive, Bringelly from Thursday 22 March 2018

The Australian and NSW governments are jointly funding this work as part of the $3.6 billion Western Sydney Infrastructure Plan. As part of The Northern Road and Bringelly Road upgrades, Roads and Maritime Services is carrying out utility work to relocate the watermains on Bringelly Road.

To minimise the impact on motorists and residents, this work will take place at night between 8pm and 5am on Thursday 22 and Friday 23 March 2018, weather permitting.

We have included a map to show the location of the work and the temporary detour for motorists.

How will the work affect you?

Our work may be noisy at times, but every effort will be made to minimise the impact on residents and businesses.

Traffic changes

A temporary detour will be in place for motorists during the night work to ensure the work zone is safe.

- Motorists travelling west on Bringelly Road to The Northern Road will turn left at Jersey Road and right at Carrington Road.
- Motorists travelling to Bringelly Road from The Northern Road will turn left into Carrington Road and left at Jersey Road.

Access for residential properties will be maintained at all times during the work.

Traffic control and signals will be in place. Motorists are asked to take extra care, keep to displayed speed limits and observe traffic signs when travelling through work areas.
