Changed traffic conditions on Mersey Road, Bringelly from Thursday 20 December

The Northern Road and Bringelly Road upgrades will provide easier, faster and safer travel for motorists in western Sydney.
Our work

Roads and Maritime Services will build a new intersection at Mersey Road and The Northern Road, Bringelly.

To complete this work we will close the current intersection from **Thursday 20 December 2018** until **May 2019**, weather permitting. To minimise the impact on road users, we will install a temporary access road next to the existing Mersey Road for the duration of the work.

Traffic changes

We have included a map to show the changes to traffic flow.

Please keep to the speed limits, follow the signs and traffic controllers’ directions.
