Temporary closure of Solway Road and The Northern Road, Bringelly intersection from Monday 10 September 2018

The Australian and NSW governments are jointly funding this work as part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services will build a new intersection at Solway Road and The Northern Road, Bringelly as part of The Northern Road and Bringelly Road upgrades.

The current intersection will be temporarily closed while we carry out this important work from Monday 10 September 2018 and will re-open 31 March 2019, weather permitting.

Traffic changes

To reduce impacts on residents and road users a detour will be in place via a private road which will be opened for the duration of the road closure only.

Access to The Northern Road will be via Medway Road and Greendale Road.

A map over the page shows the location of the detour.

Traffic signage will be in place, motorists are asked to take extra care, and observe all traffic signs when travelling through work areas.
