

## Night Work on Alfords Point Road, Alfords Point from 4 May

### The NSW Government is funding this \$40 million project to improve safety and traffic flow on Alfords Point Road between Georges River and Brushwood Drive.

Roads and Maritime Services is continuing to construct this important project. As part of this work we will be carrying out the removal of old asphalt, installing new asphalt paving and line marking of the Brushwood Drive on ramp and the northbound lanes. This work will be carried out at night to minimise impact to motorists.

The work will take up to **10 night shifts** to complete from **Thursday 4 May** to **Monday 29 May**, weather permitting. Our working hours will be from 7pm to 5am.

We have provided a map to show the location of the work.

#### Temporary lane closures

There will be temporary lane closures between Georges River Bridge and Brushwood Drive to allow the removal of old asphalt, the installation of new asphalt paving and line marking to be carried out efficiently and ensure the safety of motorists and road workers.

The on ramp onto Alfords Point Road will be closed with a detour in place during the night work. Access through to Menai will be maintained under traffic control.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

#### How will the work affect you?

There may be some construction noise and light associated with this work. We will make every effort to minimise noise by arranging the work in stages at different locations across this period. Every effort will also be made to focus light only on the working area to minimise spill-over of light into nearby residences.

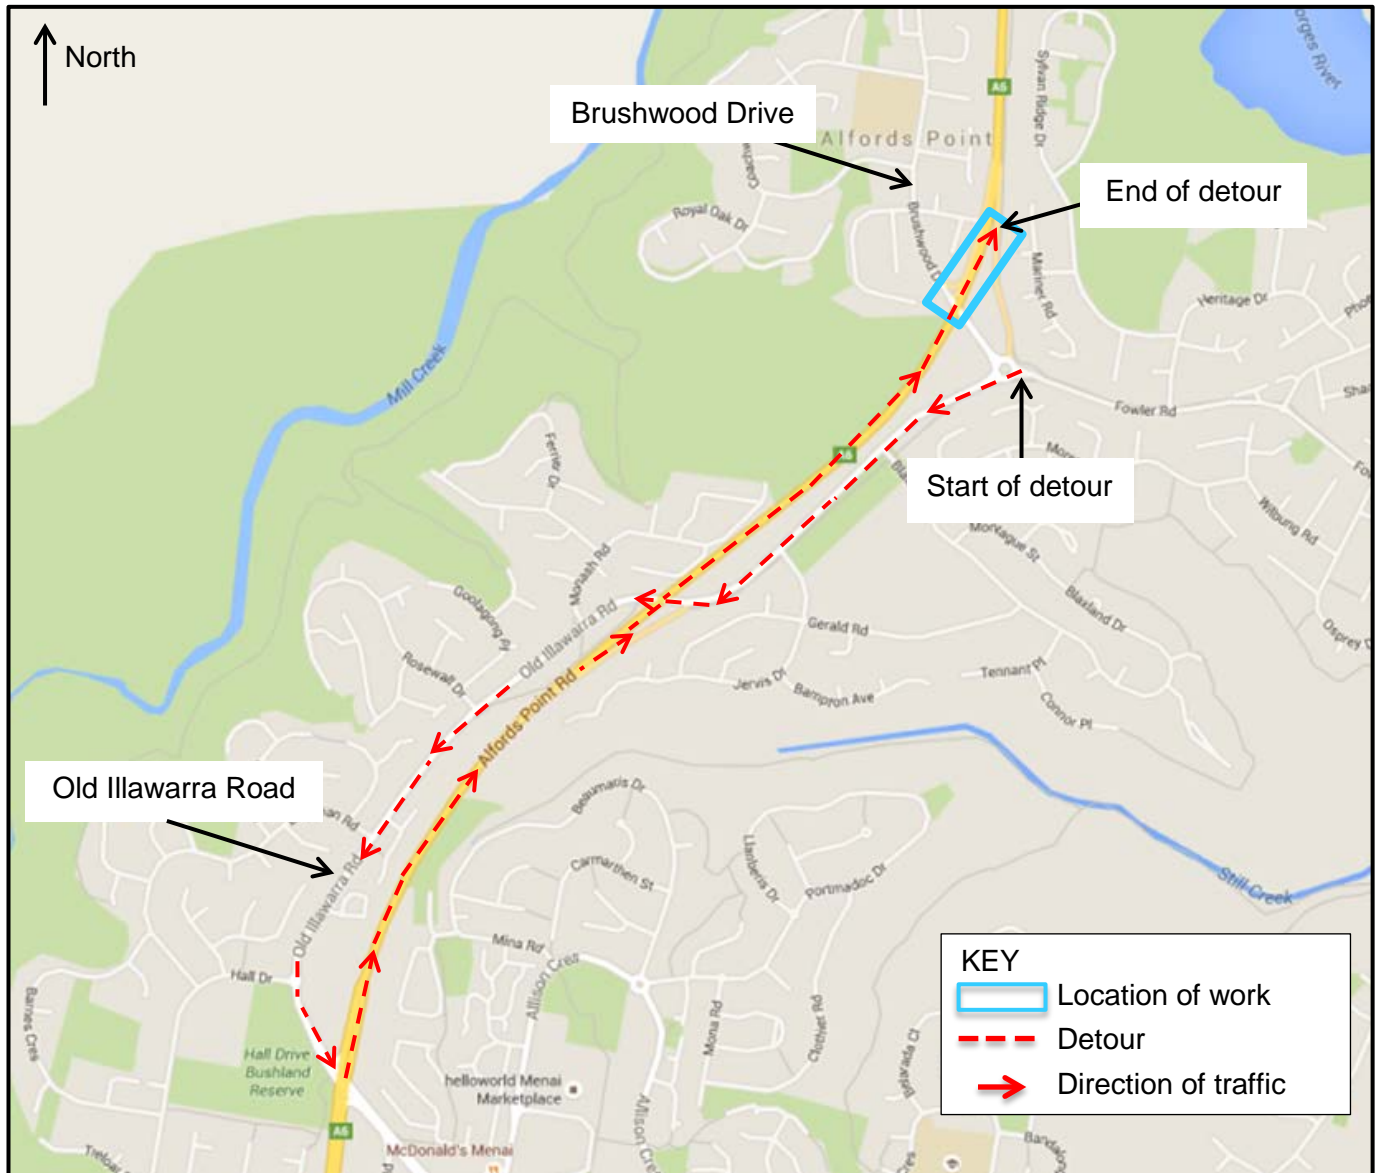

#### Contact

Contact our Project Manager Ken Vo on 0407 900 287 or email [AlfordsPoint@rms.nsw.gov.au](mailto:AlfordsPoint@rms.nsw.gov.au). For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au)

Thank you for your patience during this important work.
