

Night work and diversion on Alfords Point Road, Alfords Point from Wednesday 8 June

The NSW Government is funding this \$40 million project to improve safety and traffic flow on Alfords Point Road between Georges River and Brushwood Drive, Alfords Point.

Roads and Maritime Services will carry out asphaltting on the Brushwood Drive off ramp. The work will be carried out at night to minimise the disruption to motorists and the Brushwood Drive off ramp will be closed and a detour in place during this work.

The work will take up to **six shifts** between **Wednesday 8 June** and **Saturday 18 June**, weather permitting. Our working hours will be from **7pm to 5am**.

How will the work affect you?

There will be some noise associated with this work. Every effort will be made to minimise noise by arranging the work in stages at different locations across this period.

Every effort will be made to focus the light only on the working area, however there is likely to be some spill-over of light into some nearby residences.

Traffic changes

During this work the Brushwood Drive off ramp will be closed. Motorists will be diverted to Old Illawarra Road where they can travel north to access Brushwood Drive and Fowler Road. Traffic control and detour signage will be in place. We have provided a map to show the location of the work and detour.

The Brushwood Drive off ramp closure and detour may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and detour signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our Project Manager Ken Vo on 0407 900 287 or email AlfordsPointUpgrade@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
