

Investigation work on Chifley Road, east of Lithgow from Monday 26 November

The NSW Government is funding an upgrade of Scenic Hill, three kilometres east of Lithgow to improve safety, travel times and access to Greater Sydney.

Roads and Maritime Services will carry out the work, which includes

- Ground testing (geotechnical) investigations
- Surveying
- Minor blasting
- Borehole drilling.

We have included a map to show the location of the project.

We will be working between **7am** and **6pm** from **Monday** to **Friday** and expect to complete the work in **two months**, weather permitting. We will let you know in advance if we need to do any work outside these times.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by arranging the work in stages at different locations.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures and a 40km/h speed limit will be in place during work hours and may affect travel times. Motorists should allow up to ten minutes extra travel time during this work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

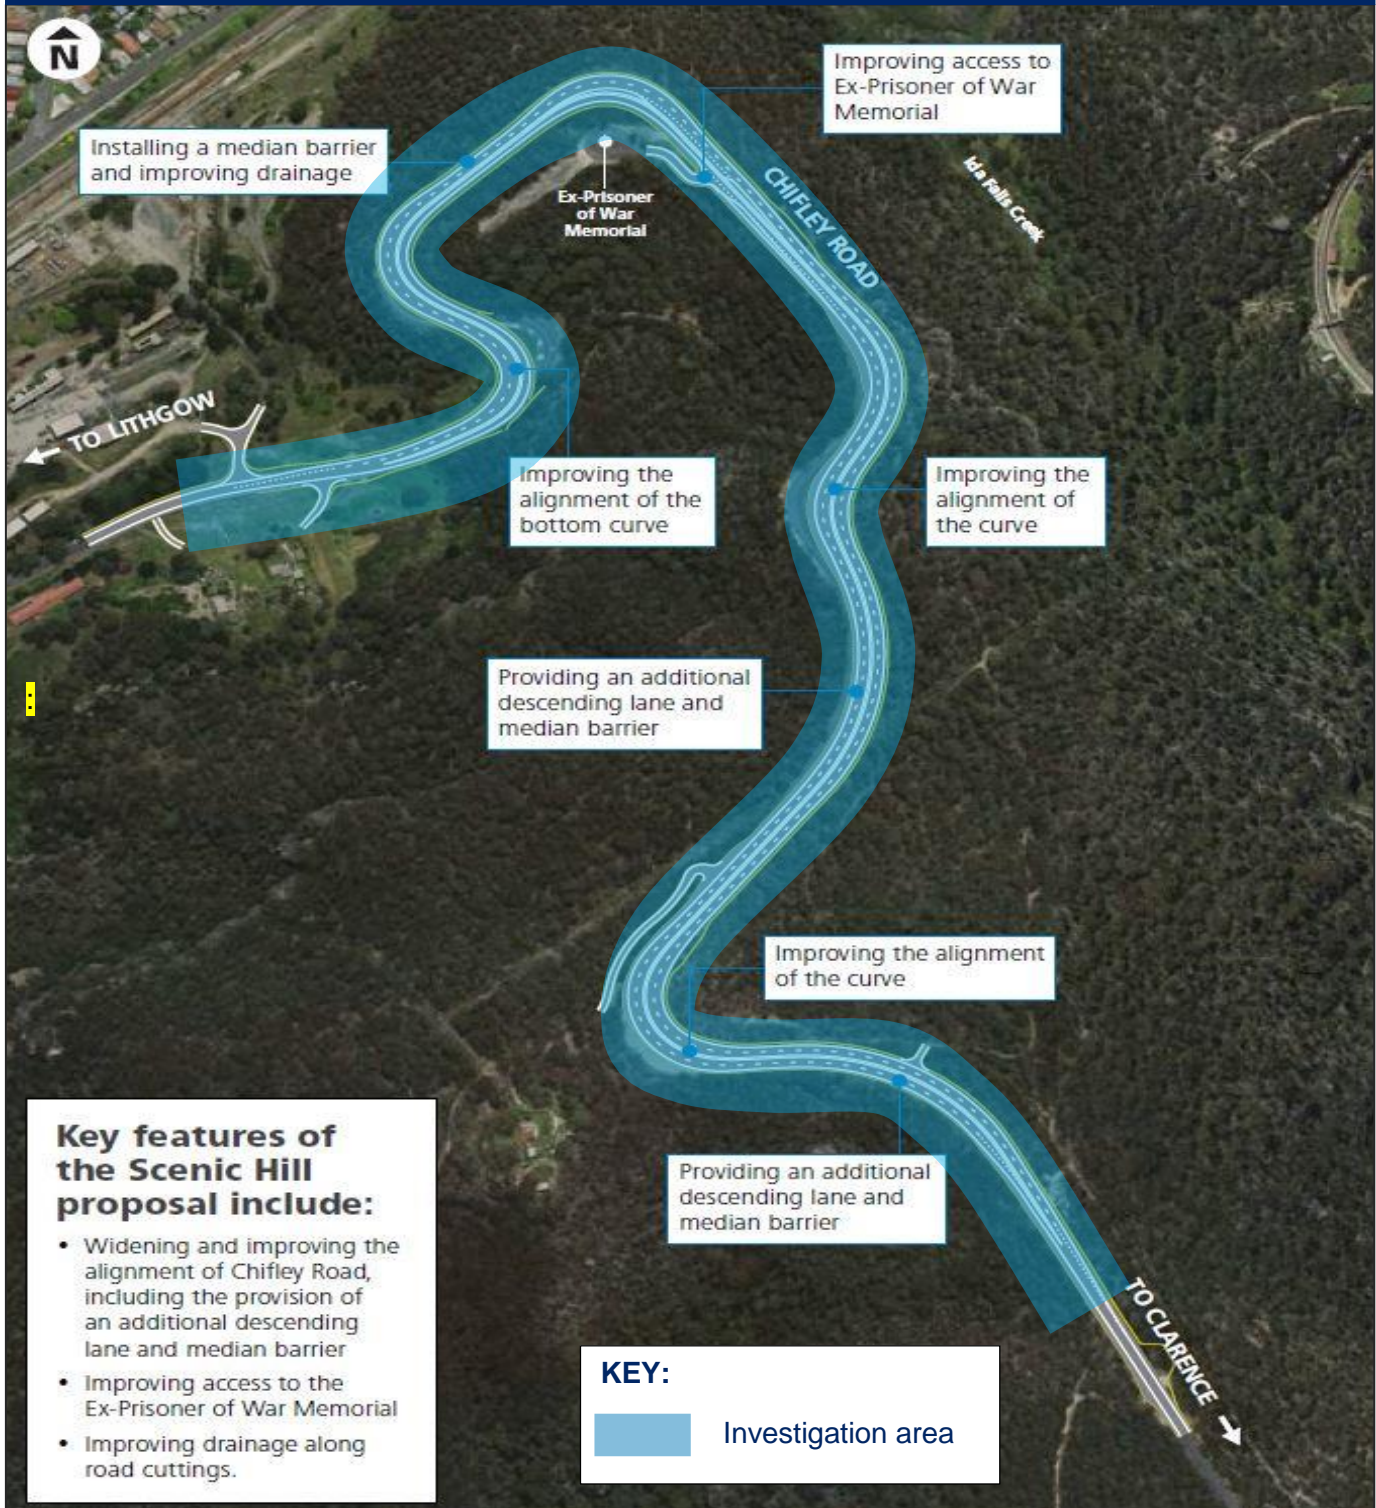

Contact

If you have any questions, please contact the Chifley Road upgrade project team on 1800 874 897 or chifleyroadupgrade@rms.nsw.gov.au.

For more information on our projects, visit www.rms.nsw.gov.au/chifleyroadupgrade

Thank you for your patience during this important work.
