

## Night work on Princes Highway at Bomaderry on Monday 30 March

The NSW Government is upgrading the Princes Highway between Berry and Bomaderry to improve safety, increase road capacity and improve traffic flow.

### What are we doing?

We will be taking asphalt samples from the existing road surface and updating line marking between Abernethys Lane, Meroo Meadow and the Cambewarra and Moss Vale roads roundabout, Bomaderry on **Monday 30 March 2020**, weather permitting.

Work crews will start setting up from 6pm and our work hours will be between **7pm** and **5am** to minimise the impact to motorists on the Princes Highway.

### How will the work affect you?

There will be some noise associated with this work but we will make every effort to minimise disruption to residents. The works will involve the use of light vehicles, lighting towers, spray seal trucks, trucks to remove materials from site, as well as hand tools.

Should the work need to be postponed due to bad weather, new dates will be advertised on variable message signs along the upgrade and on the project website.

### Traffic changes

Lane closures and a reduced speed limit of 40km/h will be in place during work hours for the safety of workers and motorists. Motorists are advised to drive to the conditions and follow the directions of signs and traffic control.

For the latest traffic updates call 132 701, visit [livetraffic.com](http://livetraffic.com), or download the Live Traffic App.

We thank you for your patience during this important work.
