MAY 2012

Dear resident

Berry to Bomaderry upgrade, Princes Highway Additional community meetings invitation

Roads and Maritime Services (RMS) is calling for community input on the draft concept design for the proposed Princes Highway upgrade between Berry and Bomaderry.

Three community meetings were held in May 2012 to discuss the proposal. Due to community interest, additional meetings have been organised to ensure that all residents in the area have an opportunity to provide input on the draft concept design.

- **Additional community meeting
Thursday 7 June 2012 – 5.30pm – 7.30pm
Nowra Pavilion (Nowra Showground), West Street, Nowra**

This meeting will be similar to the focus groups held in May where we outlined how the concept design was developed, followed by time for question and answers.

- **Proposed heavy vehicle enforcement bay and truck park
Thursday 21 June 2012 – 5.30pm – 7.30pm
Nowra Pavilion (Nowra Showground), West Street, Nowra**

This meeting will discuss the need for a northbound heavy vehicle facility at Meroo Meadow as well as how the proposed location was chosen. We will also provide responses to some feedback received to date.

You can register your interest in attending either of these meetings by calling the project information line on 1800 506 976 (free call) or email berrytobomaderryupgrade@rms.nsw.gov.au

The draft concept design and a 'have your say' form is available to view on the project website at www.rms.nsw.gov.au/bbu. Residents and stakeholders are also encouraged to visit the Berry project office located at Broughton Court, shop 3/113 Queen Street, Berry to review the draft concept design. The Berry project office is open on Fridays from 10am to 5pm. If you would like to speak to a member of the project team, please call the project information line on **1800 506 976**.

I look forward to your input into the proposed Princes Highway upgrade.

Yours faithfully

A handwritten signature in black ink, appearing to read 'NB' followed by a stylized flourish.
