

Night work between Mullers Lane and O’Keeffes Lane, Jaspers Brush

The NSW Government is upgrading the Princes Highway between Berry and Bomaderry to improve safety, increase road capacity and improve traffic flow.

What are we doing?

We will be carrying out road surfacing, line marking and barrier relocation on **Wednesday 27 May** for up to two nights (weather permitting).

This work will be carried out between **6pm** and **5am** to minimise the impact to motorists.

Should the work need to be postponed due to bad weather, new dates will be advertised on variable message signs along the upgrade and on the project website.

How will the work affect you?

There will be some noise and light associated with this work. The work will include the use of lighting towers, cranes, road surfacing machinery and heavy vehicles.

For the safety of motorists and our workers there will be lane closures, stop/slow traffic control, and 40km/h speed limits.

Motorists are advised to drive to the conditions and follow the directions of signs and traffic control.

Transport for NSW thanks motorists for their patience during this time.
