

## Out of hours work on the Princes Highway, Jaspers Brush

The NSW Government is upgrading the Princes Highway between Berry and Bomaderry to improve safety, increase road capacity and improve traffic flow.

### What are we doing?

We will be carrying out essential night work between Strongs Road and O’Keeffes Lane as part of the upgrade. The work involves the placement of concrete barriers along the edge of the existing highway to improve safety for construction workers and motorists. The work is required outside normal project hours to minimise the impact on highway traffic.

We will be working between **7pm** and **5.30am** from Wednesday 23 January for about two nights, weather permitting.

### What you need to know

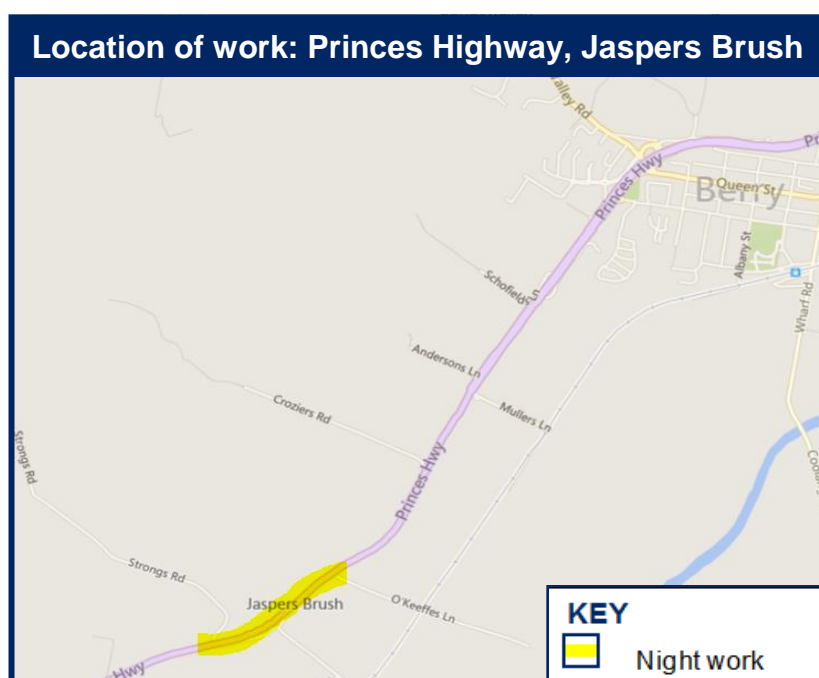

We will make every effort to minimise disruption including noise and light. For the safety of motorists and our workers traffic changes will be in place and may affect travel times by up to five minutes, these include:

- partial lane closures and stop/slow traffic control
- a reduced 40km/h speed limit

Please keep to speed limits and follow signs and traffic controllers’ directions.

For the latest traffic updates call 132 701, visit [livetraffic.com](http://livetraffic.com), or download the Live Traffic App.

We thank you for your patience during this important work.

# Agreement – Out of hours work on Princes Highway, Jaspers Brush

<b>Property Owner Name:</b>			
<b>Address of property</b>		<b>Lot and DP no. of property/ies:</b>	
<b>Phone number:</b>		<b>Mobile number:</b>	
<b>Fax number:</b>		<b>Email address:</b>	

I am aware night work will be carried out between 7pm and 5.30am, from 23 January for about two nights as part of the Berry to Bomaderry upgrade.

I have no objection to this work occurring outside of standard construction hours as set out in this agreement. I understand that there will be some noise and lighting impacts from this work.
