

Road closure and project update - Work continuing at the intersection of Hume Highway and Bigge Street, Warwick Farm

The NSW Government is funding this project as part of its \$246 million Pinch Point and Clearways Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney's major roads.

Roads and Maritime is continuing to carry out this work to improve the intersection of Bigge Street and the Hume Highway, Warwick Farm. Work is expected to be completed in late 2017.

Progress so far and the next stage

Due to the recent wet weather, utilities work has been delayed and we will continue to relocate utilities on Bigge Street. We have installed a No Stopping zone on Bigge Street. The next stage includes:

- building a 90 metre long northbound left turn lane on Bigge Street, two southbound right turn lanes on Bigge Street and a westbound left turn lane on the Hume Highway
- installing a No Stopping zone on the Hume Highway.

Our work schedule

Work to relocate utilities, which will result in a road closure, will take **eight night shifts** to complete between **Thursday 27 April** and **Wednesday 31 May**. We have included a map to show the detour route. Our working hours will be between **8pm** and **5am**, weather permitting, excluding weekends.

Following the road closure, we will continue to complete the next stages of work, including further utilities relocation. This work will take **70 night shifts** to complete between **Thursday 27 April** and **Friday 28 July**, excluding public holidays. Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **6pm** from **Sunday** to **Friday**.

How will the work affect you?

Our work will be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks before **midnight**.

Traffic changes

Bigge Street will be closed between Hume Highway and Lachlan Street for **eight night shifts** between **9pm** and **5am** from **Thursday 27 April** to **Wednesday 31 May**. Local residents will have full access to their properties. Bigge Street will be open to traffic outside these hours.

The detour for motorists travelling north bound from Liverpool on Bigge Street will be via Lachlan Street and Forbes Street, either turning left onto Hume Highway or right onto Hume Highway. The detour for motorists travelling westbound on Hume Highway will be on Macquarie Street and Lachlan Street.

The detour for motorists travelling eastbound on Hume Highway will be via Forbes Street and Lachlan Street. The detour will add up to three minutes to your travel time.
