

Road Closure at the intersection of Hume Highway and Bigge Street, Warwick Farm

The NSW Government is funding this project as part of its \$246 million Pinch Point and Clearways Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney's major roads, particularly during weekday peak periods.

Roads and Maritime is continuing to carry out this work to improve the intersection of Bigge Street and the Hume Highway, Warwick Farm. The next stage of this work is to relocate utilities on Bigge Street.

Our work schedule

This work will take **eight night shifts** to complete between **Monday 13 February** and **Wednesday 22 February** and will result in a road closure. We have included a map of the detour route. Our working hours will be from **9pm to 5am**, weather permitting, excluding weekends.

After relocating utilities on Bigge Street we will continue to complete the next stages of work. This work will take up to **25 night shifts** to complete between **Thursday 23 February** and **Friday 31 March**. Our working hours will be from **8pm to 5am**, excluding **public holidays** and **Saturdays**. We will also be working during the day.

Our daytime working hours will be between **7am** and **6pm**, weather permitting. The road closures will not be in place during the day.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise its impact, including doing noisier work before **midnight**.

Traffic changes

Bigge Street will be closed between Hume Highway and Lachlan Street from **9pm to 5am** on **Monday 13 February** through to **Friday 17 February** and again on **Monday 20 February** to **Wednesday 22 February**.
