

## Extended clearways on Blaxland Road between Devlin Street, Ryde and Epping Road, Epping

The NSW Government is funding this project as part of its \$121 million Clearways Program, which aims to reduce congestion and delays on Sydney's roads.

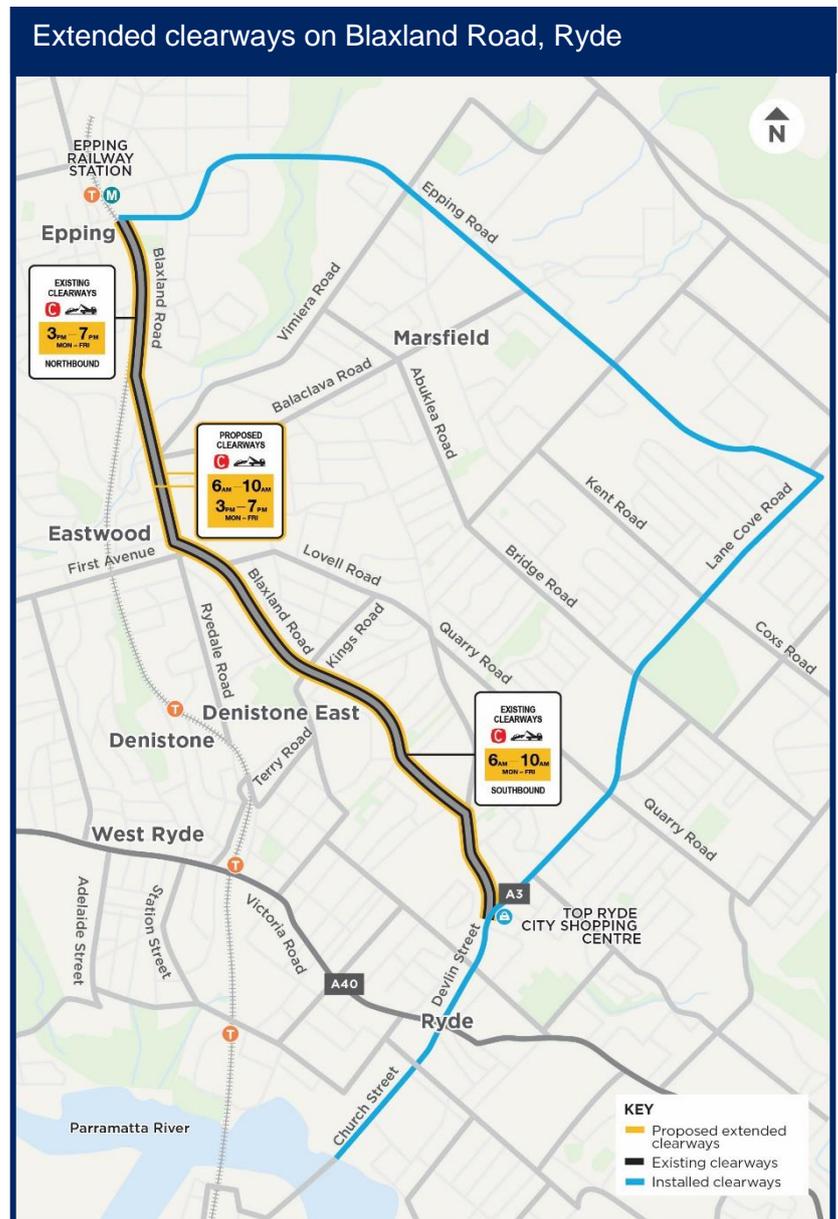

Transport for NSW will install extended weekday clearways on Blaxland Road, between Devlin Street, Ryde and Epping Road, Epping.

The extended clearway hours will operate from **6am to 10am** and **3pm to 7pm on weekdays** in both directions.

Clearways help improve journey times by making an additional lane available to traffic during clearway hours, allowing drivers to get to their destination sooner. They have an immediate positive impact on traffic flow as existing road space is used for the movement of vehicles. Maximising road space for traffic movement improves the efficiency of intersections along the corridor as all lanes are used.

The new clearways will improve journey times for over 25,000 road users, including public transport passengers, who travel on Blaxland Road each day, which means less time in traffic and more time doing the things you enjoy.

The extended clearways will be in place from **Monday 6 April 2020**.

## Our work schedule

We will install the extended clearways signs and posts over **8 night shifts** between **Friday 27 March** and **Sunday 5 April 2020**, weather permitting.

Our working hours will be between **8pm and 5am**. The extended clearways will be operation from **6am on Monday 6 April 2020**.

## Contact us

To find out more about this project, please contact the Clearways team:

1300 706 232 (during business hours)

clearways@transport.nsw.gov.au

<http://www.transport.nsw.gov.au/clearways>

## How will the work affect you?

There will be some noise associated with the installation of the clearways signs but we will do everything we can to minimise the impact, including completing noisier tasks by **midnight**.

## Traffic changes

There will be temporary traffic changes while the signs are installed to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controller directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## What is a clearway?

A clearway is a section of road where stopping and parking is not allowed during the times shown on the clearway sign.

Clearways are put on state roads where traffic is often heavy and congested. They help keep vehicles moving by making all lanes available to motorists. Buses and taxis are allowed to stop on a clearway to drop off or pick up passengers.

Emergency vehicles and postal vehicles accessing a public post box are exempt from clearways restrictions.

If you park in a clearway during the clearway hours you risk being fined and your vehicle can be towed.

To report a vehicle parked in a clearway or if your vehicle has been towed from a clearway, please call the Transport Management Centre on 131 700.

### Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Transport for NSW on 1300 706 232

#### Arabic
