The NSW Government’s Sydney Clearways Strategy is one of its key initiatives to reduce congestion on Sydney’s major roads. $121 million was committed to implementing the strategy and installing new clearways on Sydney’s road network.

Installing new and extended clearways on weekdays and weekends can help reduce congestion in many areas of Sydney by allowing motorists to use all traffic lanes.

Since 2013, we have installed more than 500 kilometres of new and extended clearways across some of Sydney’s busiest road corridors. We are continuing to investigate where new and extended clearways would help ease congestion and provide more reliable travel times for road users across the network. For further information please visit our website: www.rms.nsw.gov.au/clearways.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

As a resident or visitor, what does this mean for me?

The new clearways will change the ability to park or pick up and drop off family, friends and deliveries in front of properties along Cabramatta Road between Cumberland Highway and Hume Highway, Cabramatta. If you do not have a driveway, garage or carport on your property, local streets are available for you to park during the clearway hours subject to any council restrictions.

Outside the clearway hours, existing parking restrictions will remain in place.

New and extended clearways on Cabramatta Road

Project Update – November 2018

Background

What happens next?

After considering all the feedback received, Roads and Maritime will progress with installing new and extended clearways on Cabramatta Road between Cumberland Highway and Hume Highway, Cabramatta.

The new clearway signs and posts will be installed between Saturday 1 December and Sunday 9 December 2018 (weather permitting). Our working hours will be between 8pm and 5am from Monday to Sunday. The new and extended clearways will be operational from Monday 10 December 2018.

Roads and Maritime will continue to work with key stakeholders on the proposed clearways along Cabramatta Road West between Elizabeth Drive, Bonnyrigg and Cumberland Highway, Cabramatta. We will keep the community informed as the project progresses.

How will the work affect you?

There will be some noise associated with this work but we will do everything we can to minimise the impact, including completing noisier tasks by 11pm.

During the installation work, there will be some temporary traffic changes to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

The NSW Government is delivering faster, easier and safer travel on Sydney’s roads.

In September 2018 Roads and Maritime Services asked the community for feedback on proposed alternative parking arrangements and proposed clearways on Cabramatta Road between Elizabeth Drive, Bonnyrigg and Hume Highway, Cabramatta.

We have summarised all feedback and responses in an engagement report. We encourage you to view our responses on rms.nsw.gov.au/Clearways.

Engagement outcome

Cabramatta Road West between Elizabeth Drive, Bonnyrigg and Cumberland Highway, Cabramatta

During the community engagement in September, Roads and Maritime received feedback concerning school drop off and pick up on Cabramatta Road West and parking demand for nearby facilities between Humphries Road and Meadows Road, Bonnyrigg.

Roads and Maritime has listened to the community. We are continuing to work with key stakeholders to investigate these concerns and will keep the community informed as the project progresses.

At this time, we are not proceeding with implementation of new and extended clearways on Cabramatta Road West between Elizabeth Drive and Cumberland Highway.

Cabramatta Road between Cumberland Highway and Hume Highway, Cabramatta.

From Monday 10 December 2018 extended weekday and new weekend clearways will be operational on Cabramatta Road between Cumberland Highway and Hume Highway, Cabramatta.

The clearway hours will operate in both directions from 6am to 7pm on weekdays and from 9am to 6pm on weekends and public holidays. Existing ‘No Parking’ and ‘No Stopping’ parking restrictions will continue to operate outside the clearway hours. Bus zones will continue to operate without change.

The timed parking spaces on the section of Cabramatta Road West diverging towards John Street in Cabramatta Town Centre and on the section of Cabramatta Road East between Broomfield Street and Cumberland Street will remain unchanged (as shown on the map overleaf).
New weekend and extended weekday clearways on Cabramatta Road

- **PROPOSED CLEARWAY**
  - 6AM - 7PM MON - FRI
  - 9AM - 6PM SAT - SUN & PUB HOLS

- **EXISTING CLEARWAY**
  - 6AM - 10AM Eastbound

- **EXISTING CLEARWAY**
  - 3PM - 7PM Westbound

- **NEW CLEARWAY**
  - 6AM - 7PM MON - FRI
  - 9AM - 6PM SAT - SUN & PUB HOLS

**KEY**
- Existing clearway
- New clearway (from 10 December 2018)
- Proposed clearway (investigation continuing)
- Existing parking
- Mixed retail

**Existing timed parking in the indented parking bay will remain unchanged**

**Existing timed parking will remain unchanged**

As a resident or visitor, what does this mean for me?
The new clearways will change the ability to park or pick up and drop off family, friends and deliveries in front of properties along Cabramatta Road. If you currently live or visit Cabramatta Road between Cumberland Highway and Hume Highway, you will need to reconsider where to park during the clearway hours.

If you do not have a driveway, garage or carport on your property, local streets are available for you to park during the clearway hours subject to any council restrictions. Outside the clearway hours, existing parking restrictions will remain in place.
