CAMPBELLTOWN ROAD UPGRADE

Field investigation work on Campbelltown Road, Denham Court from 4 May 2015

The NSW Government is funding the proposed 5.4 kilometre upgrade of Campbelltown Road, between Camden Valley Way, Casula and Brooks Road, Denham Court.

To progress the detailed design for the upgrade, Roads and Maritime Services will carry out investigation work including potholing, surveying and taking photographs at the service station on Campbelltown Road, near the intersection with Blomfield Road.

The work will be done from **7am to 6pm** between **Monday 4 May 2015 and Wednesday 6 May 2015**, weather permitting.

The work will be carried out within the boundary of the service station so there will be no impact to traffic travelling on Campbelltown Road.

There may be some noise associated with this work but every effort will be made to minimise the impact on residents and businesses. We apologise for any inconvenience this work may cause and appreciate the patience of residents and road users.

For further information about this work please contact Roads and Maritime's Project Manager Nanthini Easwaran on 9352 9545 during business hours or email Nanthini.Easwaran@rms.nsw.gov.au

Outside business hours, or for more information on scheduled road work, visit www.livetraffic.com or download the Live Traffic NSW application or call 132 701.
