

Investigation work on Taren Point Road and Captain Cook Drive, Caringbah, from Monday 25 September

Roads and Maritime Services | September 2017

The NSW Government is funding this work as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney's busiest corridors.

About the work

Roads and Maritime Services will be carrying out investigation work to help develop a design for the proposal at the intersection of Taren Point Road and Captain Cook Drive. We will be surveying and scanning to locate underground utilities. We have included a map to show the location of work.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by **11pm**.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact us

If you have any questions or would like more on the Taren Point Road intersection work please contact our project team:
