

Transport for NSW

Work complete on Caringbah intersection upgrade

End of work | June 2020

Intersection improvements on The Boulevard as it approaches Taren Point Road

Transport for NSW has recently completed improvements to the intersection of Taren Point Road, The Boulevard and Captain Cook Drive, Caringbah.

Funded under the NSW Government's \$100 million Congestion and Safety program, the project aims to improve the traffic flow at the intersection, providing a more reliable and safer journey for all road users.

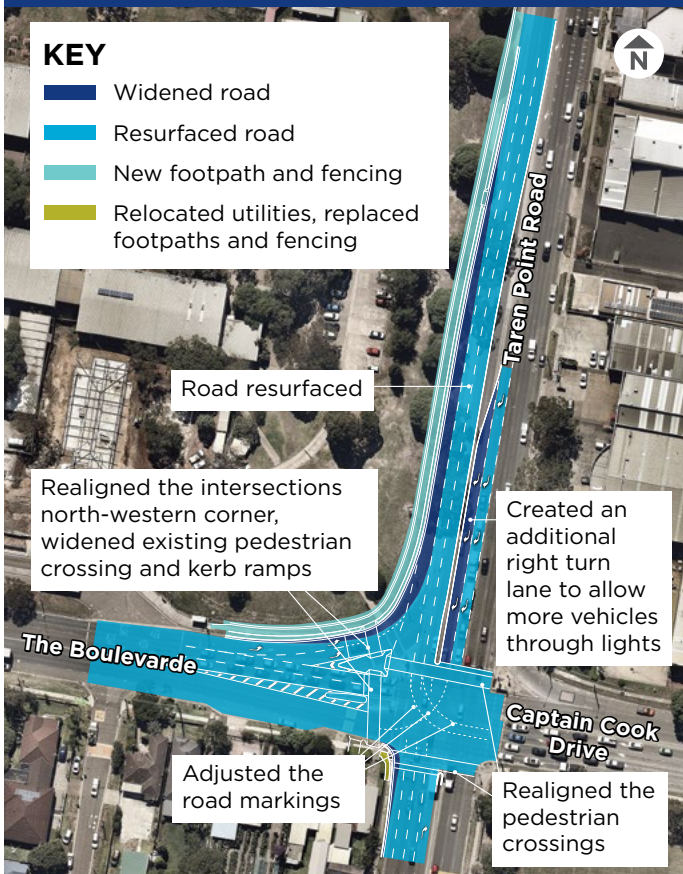

The work involved widening Taren Point Road to provide an additional right turn lane onto The Boulevard and the construction of a new central median island. We also upgraded the pedestrian crossings at the intersection to make them safer for all users, including students at Endeavour Sports High School and Caringbah High School.

A large part of the work was the relocation of gas, water, telecommunications and electrical utilities, including Ausgrid power poles around the intersection.

Key benefits

- Improved journey times for road users heading towards Miranda, Gymea and Sutherland and reduced congestion for through traffic on Taren Point Road
- More consistent travel times for motorists, particularly during peak hours
- Improved safety for pedestrians, including students from Endeavour Sports High School and Caringbah High School

Taren Point Road, The Boulevarde and Captain Cook Drive, Caringbah improvements

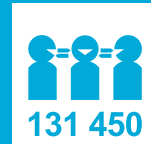

Thank you

Thank you for your patience whilst we delivered this important work. Your support is important as we continue to deliver safer and more efficient journeys throughout NSW.

Contact us

The project team is still available, if you have any questions about this work, please contact our delivery partner, Ventia Boral Amey Joint Venture by phone on 1800 677 700 or email nswenquiries@vbajv.com.au.

This document contains important information about road projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on 131 450 and ask them to call the project team on 1800 677 700. The interpreter will then assist you with translation.

Thank you, Endeavour Sports High School

Transport for NSW thanks the staff, students and community of Endeavour Sports High School, for their goodwill, patience and support over the life of this project.

The school was home to our site compound, making our operation more efficient and contributing to the success of the project.

We also had the pleasure of working with the school to select and plant 22 Blueberry Ash saplings on the front lawn alongside Taren Point Road. We needed to remove 11 trees from their front lawn to accommodate a wider road and new footpaths.

The new LED sign and Blueberry Ash saplings installed for Endeavour Sports High School
