

Have your say – Proposed intersection improvements at Cumberland Highway and Merrylands Road, Greystanes

The NSW Government is funding this proposal as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney's busiest corridors.

Roads and Maritime Services is inviting your feedback by **Wednesday 21 June 2017** on proposed intersection improvements at Cumberland Highway and Merrylands Road, Greystanes.

The proposal includes:

- installing dual right turn lanes east and westbound on Merrylands Road and northbound on Cumberland Highway
- removing the existing traffic island on Merrylands Road at the southeast corner of the intersection
- modifying the westbound bus bay on the southern side of Merrylands Road
- installing barriers along the southbound carriageway of Cumberland Highway on the south east corner of the intersection
- adjusting the central road medians on all approaches of the intersection to accommodate the new turning lanes
- realigning the westbound left turn slip lane on the Cumberland Highway to accommodate the new intersection layout
- adjusting the existing traffic signals to support the new intersection
- adjusting footpaths and kerbs
- trimming and removing trees and shrubs.

Benefits would include:

- reduced congestion and improved travel times in both the AM and PM peak periods
- improved traffic flow on Cumberland Highway and Merrylands Road
- improved safety for pedestrians and road users.

We have included a map to show the location of the proposal.
