

Investigation work on the Cumberland Highway and The Horsley Drive, Smithfield, from Monday 30 October

The NSW Government is funding this work as part of its \$300 million Urban Roads Pinch Point Program which aims to reduce congestion and improve travel times on Sydney's busiest corridors.

Roads and Maritime Services will be carrying out land, utility and geotechnical surveys at the intersections of the Cumberland Highway and The Horsley Drive, and The Horsley Drive and Oxford Street, Smithfield. The work will include potholing, utility locating, cutting and reinstatement of the road pavement. We have included a map to show the location of the work.

Our work schedule

We will be on site for 15 shifts between **Monday 30 October** and **Wednesday 31 January**, weather permitting. Our night work hours will be between **9pm** and **5am** from **Sunday** to **Thursday**. Our day work hours will be between **7am** and **5pm** from **Monday** to **Friday**.

No work will take place during the period **Saturday 23 December** and **Sunday 7 January**.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by **11pm**.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures may be in place and will affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit liveroads.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call the Project Manager, Trung Huynh, on 1800 572 004 (during business hours) or email pinchpoints@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
