

Project update – Work continuing at the intersection of the Cumberland Highway and Cabramatta Road, Cabramatta

The NSW Government is funding this project as part of its \$246 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney's major roads.

Roads and Maritime Services is upgrading the intersection of Cabramatta Road and the Cumberland Highway. The benefits include:

- improving traffic flow, efficiency and safety on the Cumberland Highway and Cabramatta Road
- improving safety for pedestrians crossing Links Avenue
- reducing queuing and waiting times.

Progress so far and the next stage

We have completed drainage work and excavation for the third south and northbound lanes on the Cumberland Highway between Links Avenue and Cabramatta Creek. We have also started work to extend the southbound right turn bay on the Cumberland Highway into Cabramatta Road.

Work on the south side of Cabramatta Creek, to move the existing merge from south of the intersection with Cabramatta Road to south of the bridge over Cabramatta Creek, is continuing.

Work still to be done includes:

- completing the northbound right turn bay on the Cumberland Highway into Cabramatta Road
- changing the eastbound left slip lane on Cabramatta Road into a through turn and left turn lane
- building a new pedestrian crossing and removing the left turn on red permitted after stopping at Links Avenue is expected to start in mid-2017.

We have included a map of the project.

Our work schedule

To complete the next stage of the project, we will work for another **80 night shifts** from **Monday 6 March to Friday 3 June**, weather permitting. Our night work hours will be between **8pm to 5am**. We will also be working during the day. Our daytime work hours will be between **7am to 6pm**, excluding **Sundays** and **public holidays**.

How will the work affect you?

Our work may be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by **midnight**.

Traffic changes

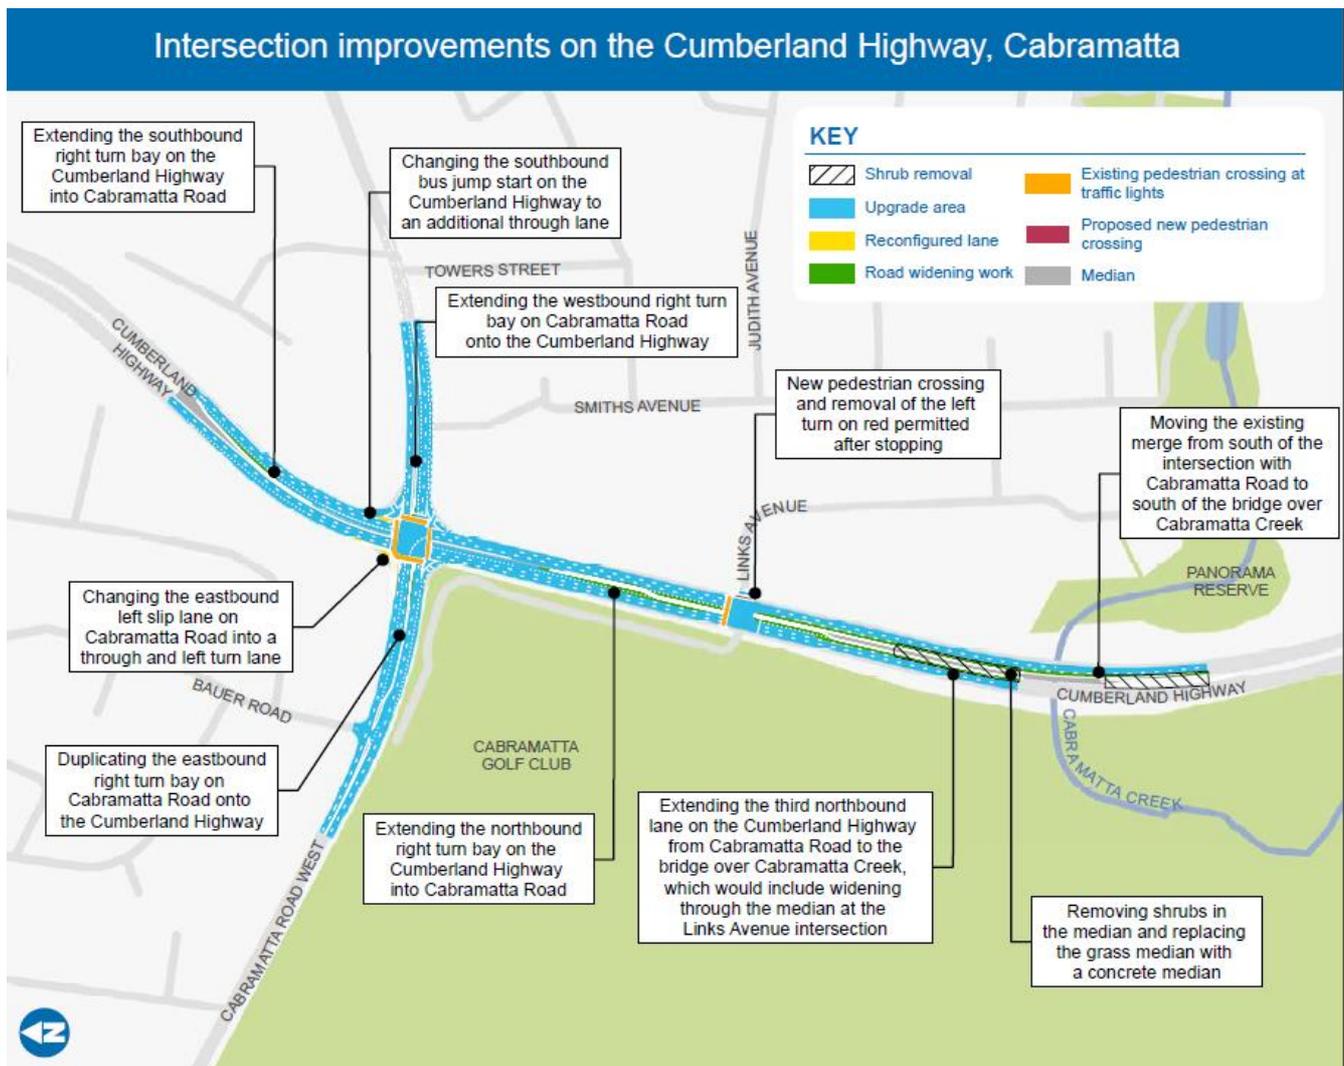

There will be temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner DownerMouchel on 1800 332 660 or nsw_projects@downermouchel.com. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
