

# New and extended clearways on Delhi Road, Millwood Avenue, Fullers Road and Pacific Highway between North Ryde and Roseville

The NSW Government is funding this project as part of its \$121 million Clearways Program, which aims to reduce congestion and delays on Sydney's roads.

Roads and Maritime Services is installing new clearways on Delhi Road, Millwood Avenue and Fullers Road between Epping Road, North Ryde and the Pacific Highway, Chatswood and extended clearways on the Pacific Highway between Fullers Road, Chatswood and Boundary Street, Roseville.

The clearways will be operational from **Monday 23 September 2019**.

The clearways will apply between 6am to 7pm on weekdays and 9am to 6pm on weekends and public holidays in both directions.

This clearway will connect to the existing clearways on Boundary Street and Epping Road and link to the M2 Motorway. It will improve journey times between Chatswood and Macquarie Park and reduce congestion.

## Our work schedule

The new clearways and No Stopping signs will be installed between **Friday 13 September** and **Sunday 22 September**, weather permitting.

It will take 8 night shifts to complete this work.

Our working hours will be between **8pm** and **5am**.

## Contact

If you have any questions about the project, please contact the Clearways project team on 1300 706 232 or [clearways@rms.nsw.gov.au](mailto:clearways@rms.nsw.gov.au)

If you have any questions about the installation work, please contact our delivery partner, Downer EDI on 1300 776 069 or

For more information on Roads and Maritime projects, visit [rms.nsw.gov.au/clearways](http://rms.nsw.gov.au/clearways)

Thank you for your patience during this important work.

## How will this affect you?

These clearways will be open to traffic from **Monday 23 September 2019**. Clearways will allow illegally parked and broken down vehicles to be towed to ensure all lanes are available to move people and goods, helping to ease congestion, improve journey time reliability and safety.

Existing parking bays on Millwood Avenue and Delhi Road will not be impacted by the clearways.

When we install the clearways and No Stopping signs, there will be some noise associated with this work but we will do everything we can to minimise the impact, including completing noisier tasks by **midnight**.

## Traffic changes

There will be temporary traffic changes while the signs are installed to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controller directions. For the latest traffic updates, you can call **132 701**, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## What is a clearway?

A clearway is a section of road where stopping and parking is not allowed during the times shown on the clearway sign. Clearways are put on key state roads where traffic is often heavy and congested. They help keep vehicles moving by making all lanes available to road users.

## Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1300 706 232.
