**Weekend and night work on Roberts Road, Eastern Creek, from Friday 24 February 2017**

The NSW Government is funding the $95 million upgrade of Old Wallgrove Road between Wallgrove Road and Roberts Road at Eastern Creek. The upgrade will provide a vital east-west link to the Western Sydney Employment Area.

Roads and Maritime Services has made significant progress in delivering the Old Wallgrove Road Upgrade. As the project moves into the final stages of construction, some traffic changes will take place to prepare for the opening of Mini Link Road.

Weekend and night work will take place from **9pm on Friday 24 February until 5am on Monday 27 February 2017**, weather permitting. This will include the closure of the Roberts Road intersection at Old Wallgrove Road.

**How will this affect you?**

There will be minor disruptions to traffic flow however electronic message signs will divert traffic through detours. These temporary traffic changes will be place to ensure that work zones are safe.

We have included a detour map to better show the changes.

**Traffic changes**

- Closure of Roberts Road intersection at Old Wallgrove Road, Eastern Creek
- Motorists will be detoured through Southridge Street from Capicure Drive.

Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

**Contact**

If you have any questions, please contact our delivery partner Daracon Contractors on 1800 832 022, [johnro@daracon.com.au](mailto:johnro@daracon.com.au).
