

Work on Shipwrights Lane at Kincumber from Tuesday 12 March

Roads and Maritime Services is carrying out work to improve safety and traffic flow by upgrading the Empire Bay Drive and The Scenic Road intersection.

Work includes widening the existing roundabout and approaches to two lanes in all directions and, as part of the upgrade, we are installing a new water main on Shipwrights Lane.

We will be working between **7am** and **5pm from Tuesday 12 March** and expect to complete the water main installation in **10 shifts**, weather permitting. We will let you know in advance if we need to do any work outside these times.

Standard work will continue on **weekdays** between **7am and 5pm** and **Saturdays** between **8am and 1pm**.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use.

Traffic changes

There will be some temporary traffic changes including narrowing the lane to ensure the work zone is safe.

A 40 km/h speed limit will be in place during work hours and may affect travel times. Motorists should allow up to two minutes extra travel time during this work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact the project information line on 1800 670 016. For more information on this project, visit rms.nsw.gov.au/empirebaydrive.

Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 670 016.
