

Early work starting at Empire Bay Drive and The Scenic Road intersection, Kincumber from Sunday 15 July

The NSW Government is providing \$20 million to upgrade the Empire Bay Drive and The Scenic Road intersection to improve traffic flow and safety for road users.

Roads and Maritime Services is upgrading the existing roundabout at Empire Bay Drive, The Scenic Road and Cochrone Street at Kincumber to reduce congestion and improve safety for road users.

The project involves upgrading the roundabout from one lane to two lanes in each direction, building new shared pathways and footpaths, resurfacing the road and improving safety at nearby intersections.

Early work is starting on **Sunday 15 July** and involves:

- Installing safety barriers
- Building new footpaths, including widening the footpath across Kincumber Creek
- Carrying out minor utility relocations
- Installing drainage
- Installing pedestrian controlled traffic lights north of Sundowner Avenue.

We will be working between **7pm** and **5am** on **Sunday 15** and **Monday 16 July** to install new temporary line marking.

Work will then be carried out between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturdays**.

How will work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by completing noisier activities earlier in the night and turning off machinery and vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Traffic control and a 40km/h speed limit will be in place during work hours and may affect travel times.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our Project Manager, Tony Lai on 02 4394 6251 or tony.lai@rms.nsw.gov.au.

For more information on our projects, visit rms.nsw.gov.au.

We thank you for your patience while this early work is carried out.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 02 4394 6251.
