

Night work at Empire Bay Drive and The Scenic Road intersection, Kincumber from Sunday 11 November

The NSW Government is investing \$20 million to upgrade the Empire Bay Drive and The Scenic Road intersection to improve traffic flow and safety for road users.

Roads and Maritime Services is upgrading the existing roundabout at Empire Bay Drive, The Scenic Road and Cochrone Street at Kincumber to reduce congestion and improve safety for road users.

The project involves upgrading the roundabout from one lane to two lanes in each direction, building new shared pathways and footpaths, resurfacing the road and improving safety at nearby intersections.

Upcoming work activities

Work is continuing to be carried out between **7am** and **6pm** on **weekdays** and between **8am** and **1pm** on **Saturdays**, weather permitting.

Night work will be carried out from **Sunday 11 November**, weather permitting. We will be working between **6pm** and **5am** and expect to complete this work in **two nights**.

This work will include:

- Line removal and line marking
- Saw cutting of asphalt and the road surface
- Removing the concrete refuge island between Kerta Road and Bridge Street
- Replacing the refuge island using asphalt and temporary kerb
- Installing traffic delineation devices
- Installing storm water pipeline road crossing.

To ensure the safety for workers and motorists during the next stage of work, southbound traffic will be moved to the western side of Empire Bay Drive between The Scenic Road and Bridge Street to enable stormwater, kerb and gutter work to be carried out by day. The traffic diversion will take place in the early hours of Tuesday 12 November.

How will work affect you?

The night work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by completing noisier activities earlier in the night and turning off machinery and vehicles when not in use.

Traffic changes

Lane closures and traffic control will be in place during work hours and may affect travel times.

From Tuesday 12 November southbound motorists will be diverted to the western side of Empire Bay Drive between The Scenic Road and Bridge Street. This diversion is expected to be in place until early December.

A permanent 40 km/h reduced speed limit remains in place through the work zone for the safety of motorists and workers.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact the project information line on 1800 670 016.
