New and extended clearways on Epping Road between Epping and Lane Cove North, from Monday 18 September

The NSW Government is acting to reduce congestion and delays by introducing new clearways on Sydney’s roads.

Roads and Maritime Services is installing new and extended clearways on Epping Road from Beecroft Road, Epping to Mowbray Road West, Lane Cove North.

We have included a map to show the location of the new and extended clearways.

Supplementing the existing parking restrictions with clearways will help to improve traffic flow and reduce delays by allowing us to tow vehicles that stop illegally or break down. This will ensure all lanes are available to traffic when the road is near capacity.

The new and extended clearways will operate in both directions from:

- 6am to 7pm on weekdays
- 9am to 6pm on weekends and public holidays.

The existing parking restrictions on Epping Road will continue to operate outside these clearway times and the existing bus lanes and transit lanes on Epping Road will continue to operate with no changes.

Changes to the clearways will be operational from Monday 18 September. Any vehicles parked in the clearways on or after this date would risk being fined and towed.

What is a clearway?

You must not stop or park on a length of road that is a clearway during its hours of operation. The drivers of public buses and taxis are permitted to stop when dropping off or picking up passengers. If your vehicle is parked in a clearway during its hours of operation, it will be towed, usually to a nearby street and fines apply.

To report a vehicle parked in a clearway or if your vehicle has been towed from a clearway, please call Transport Management Centre on 131 700.

What happens next?

The new clearway signs and posts will be installed between Friday 1 September and Sunday 17 September, weather permitting. Our working hours will be between 8pm and 5am from Monday to Sunday.

How will the work affect you?

There will be some noise associated with this work but we will do everything we can to minimise its impact, including completing the noisier tasks by 11pm.
Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or would like further information, please contact the Roads and Maritime project team on 1300 706 232 or clearways@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au. Thank you for your patience during this important work.
