

Have your say

OCTOBER 2014

The NSW Government is funding the \$580 million Foxground and Berry bypass to improve road safety and traffic efficiency.

The Foxground and Berry bypass team values your feedback.

Are there any particular aspects of the urban design elements presented tonight which you would like to provide feedback? For example, the look and feel of the safety screens on Kangaroo Valley Road overbridge?

Are there any particular landscaping elements or proposed plant species presented tonight which you would like to provide feedback?

Do you have any feedback about the future use of the residual land on North and George streets?

For further information contact the Foxground and Berry bypass community relations team on: 1800 506 976, press 2 (toll free)
