

Road safety improvements on George Street, Hornsby from Sunday 7 June

The NSW Government is funding this project as part of the NSW Safer Roads Program to improve road safety for all road users.

There have been a number of crashes on George Street in Hornsby at the intersection with Linda Street and at the intersection with Burdett Street. Some crashes have resulted in serious injuries.

In August 2019, Transport for NSW invited the community to provide feedback on proposed improvements to increase safety for road users and pedestrians at the intersections of George Street and Linda Street and George Street and Burdett Street, Hornsby. We also invited feedback on our night work schedule.

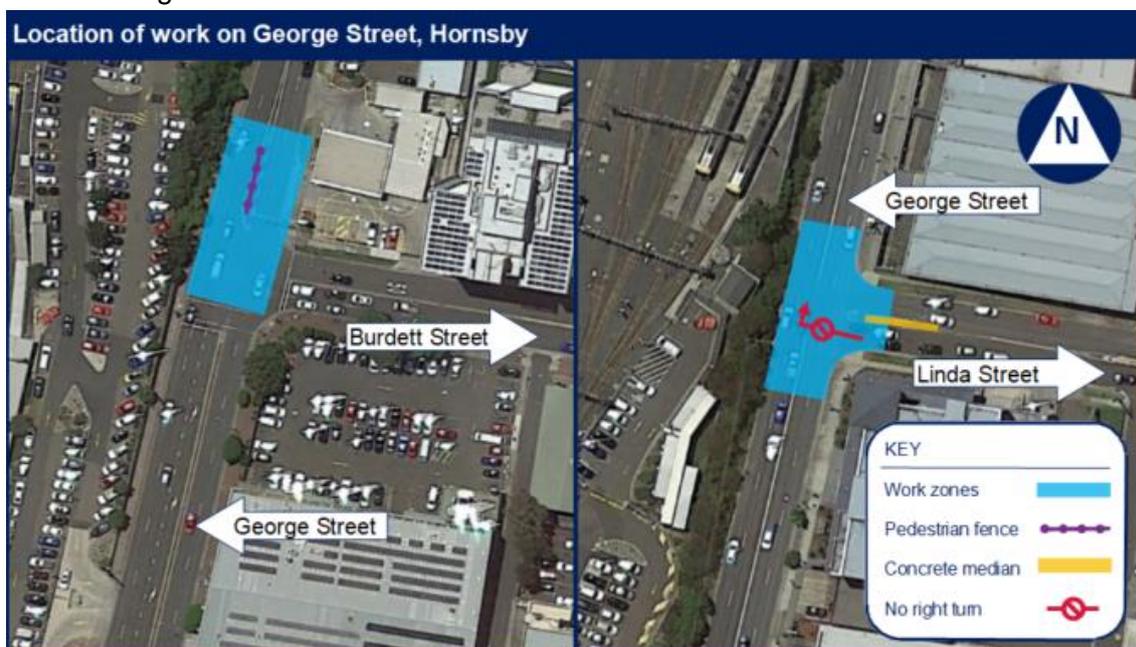

We have listened to and considered the community and stakeholder feedback and undertook further investigations into the crash data, traffic patterns and behaviours. Based on the feedback from the community and our further investigations, we will:

- ban the right turn from Linda Street onto George Street
- build a raised concrete median on Linda Street near George Street
- install a pedestrian fence on George Street near Burdett Street.

We will no longer:

- ban the right turn ban from George Street onto Linda Street
- add a dedicated right turn arrow from Burdett Street onto George Street northbound at the traffic lights
- build a raised concrete median on George Street, where it intersects with Linda Street.

We will continue to monitor traffic patterns at these intersections and will consult the community again if we propose further changes.

Our work schedule

We will be on site for up to **10 night shifts** between **Sunday 7 June** and **Friday 26 June**, weather permitting.

Our work hours will be between **8pm** and **5am** from **Sunday to Friday**.

We will work up to five nights per week.

Contact

If you have any questions, please contact our delivery partner, DM Roads, on **1800 332 660**, or nsw_projects@dmroads.com.au.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.

Consultation report

We have summarised the community feedback and provided responses to the key issues raised in a community consultation report which can be found at nswroads.work/george-street-hornsby

Key issues raised included:

- the need for right turn from George Street onto Linda Street
- business and commuter impacts
- general congestion in the wider Hornsby area
- requests for other improvements in the local area.

How will the work affect you?

We will work up to five nights a week over three weeks from **Sunday 7 June**. This work schedule will allow us to complete the work as quickly as possible, minimising the disruption and reducing safety risks to workers and all road users.

There will be some noise associated with this work, but we will make every effort to minimise the impact on residents and businesses, including completing noisier tasks by **midnight**.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Translating and Interpreting Service

If you need an interpreter, please call TIS National on **131 450** and ask them to call DM Roads on **1800 332 660**.
