BUILDING OUR FUTURE

August 2018

Continuing work at the intersection of the Great Western Highway and Ross Street in Glenbrook from Friday 17 August

The Australian and NSW governments are jointly upgrading the Great Western Highway and Ross Street intersection at Glenbrook as part of the Western Sydney Infrastructure Plan, a \$3.6 billion road investment program.

Roads and Maritime Services is upgrading the intersection of the Great Western Highway and Ross Street in Glenbrook to improve access and safety for pedestrians and motorists.

Upcoming work includes:

- modifying both corners of Hare Street including updated footpaths
- installing lighting on both corners of Ross Street
- creating new pits for utility services and drainage on the northern side of the Great Western Highway
- forming new footpaths on the eastern corner of Ross Street and the northern side of the Great Western Highway
- updating the traffic light infrastructure along the intersection.

Our work schedule

Work will be carried out between **Friday 17 August** and **Tuesday 11 September** during standard construction hours between **7am** and **6pm Mondays to Fridays** and **8am** and **1pm** on **Saturdays**, weather permitting. We will notify you of any work outside these standard hours.

We have included a map overleaf to show the location of work for Stage 3.

Traffic changes

Traffic changes will be in place to ensure the work zones are safe for road users and workers. The speed limit on the Great Western Highway between Ross Street and Hare Street, Glenbrook will be **reduced to 60 km/h, 24 hours a day, seven days a week** until project completion at the end of 2018, weather permitting.

These changes may affect travel times. Please be aware of pedestrians and cyclists when travelling through the work area. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701 or visit livetraffic.com or download the Live traffic NSW App.
