

Improvements at the intersection of Great Western Highway and Doonside Road and Brabham Drive, Eastern Creek

Community consultation summary

June 2017

Proposal

Roads and Maritime Services invited feedback from the community and stakeholders in June on a proposal to create a second right turn lane from Great Western Highway onto Doonside Road and Brabham Drive in Eastern Creek. This includes:

- widening Great Western Highway from the centre median to create additional right turn lanes onto Doonside Road and Brabham Drive
- widening the existing eastbound and westbound left turn slip lanes from Great Western Highway onto Brabham Drive and Doonside Road
- adding two signalised pedestrian crossings on the north and south sides of the intersection.

Consultation and decision

We distributed 1193 letters to the local area and key stakeholders inviting feedback by 9 June 2017 (see Appendix A and B).

We received feedback from 10 people, three in support and seven were neither in support, nor opposed. Nine people stated that another left turn only lane should be added from Doonside Road onto Great Western Highway.

After considering all responses, we have decided to proceed with the proposed improvements unchanged.

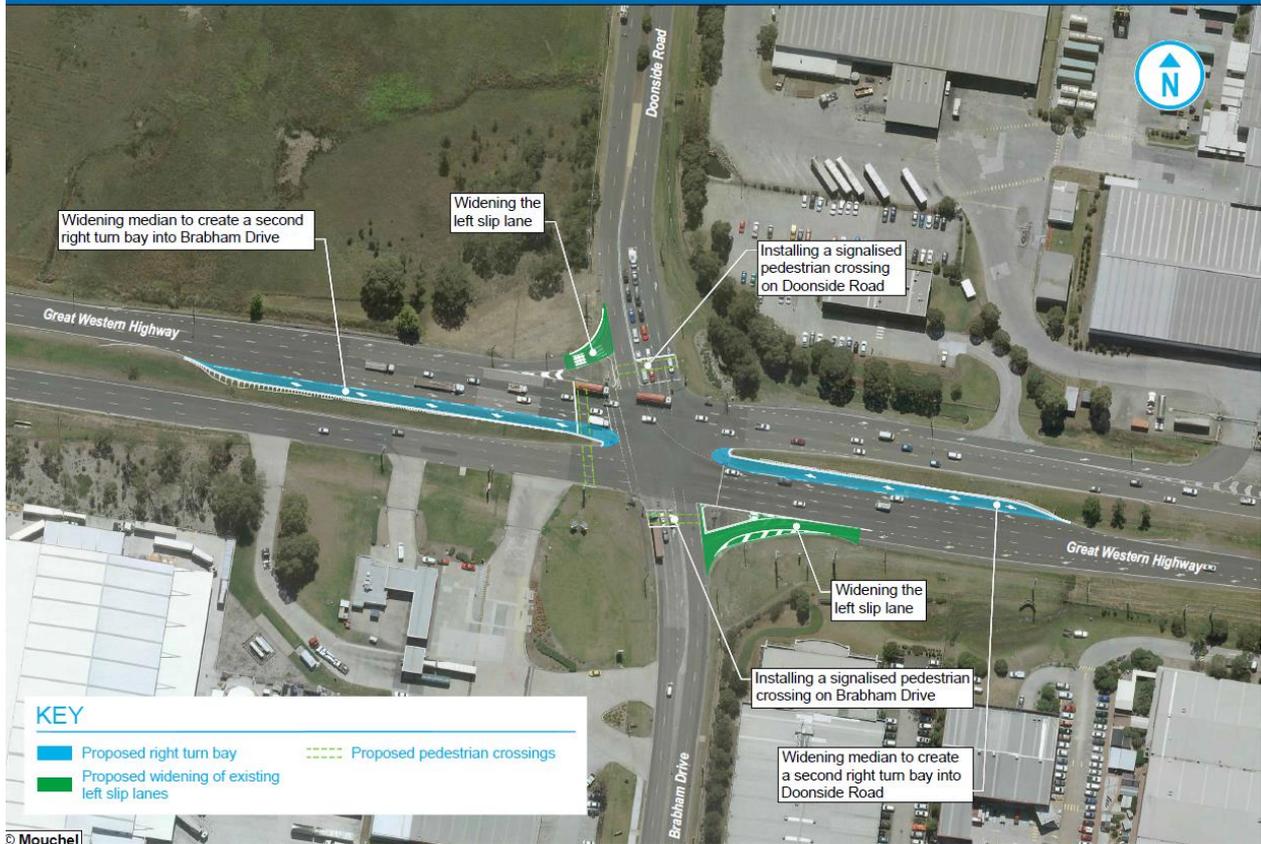

We have responded directly to questions or concerns raised.

Our work

Work will start in March 2018.

We will notify the community and stakeholders again before starting work and will continue to update them as the project progresses.

Proposed improvements to the intersection of the Great Western Highway, Doonside Road and Brabham Drive, Eastern Creek

Feedback and responses

Matter raised	Roads and Maritime's response
<p>Another left turn only lane should be added from Doonside Road on to Great Western Highway.</p> <p>(9 comments)</p>	<p>Thank you for your suggestion.</p> <p>The objective of this work is to improve traffic flow on Great Western Highway, improvements to other roads, such as Doonside Road, are not part of the scope of this project. We will consider this suggestion as part of future planning for the area.</p>
<p>We support this proposal in full.</p> <p>(2 comment)</p>	<p>Thank you for supporting the proposed improvements to the intersection of Great Western Highway onto Doonside Road and Brabham Drive in Eastern Creek</p> <p>After considering community feedback, Roads and Maritime Services has decided to proceed with the proposal without change.</p> <p>If you have any further questions, please contact us on 1800 332 660 or nsw_projects@downermouchel.com.</p>

May 2017

Have your say – Proposed intersection improvements at the intersections of Great Western Highway and Doonside Road and Brabham Drive, Eastern Creek

The NSW Government is funding this proposal as part of its \$300 million Urban Roads Pinch Points Program, which aims to reduce congestion and improve travel times on Sydney's busiest corridors.

Roads and Maritime Services is inviting your feedback on a proposal to create a second right turn lane from Great Western Highway onto Doonside Road and Brabham Drive in Eastern Creek. This includes:

- widening Great Western Highway from the centre median to create additional right turn lanes onto Doonside Road and Brabham Drive
- widening the existing eastbound and westbound left turn slip lanes from Great Western Highway onto Brabham Drive and Doonside Road
- adding two signalised pedestrian crossings on the north and south sides of the intersection.

The benefits of the proposal include:

- improving east and westbound traffic flow and travel times on Great Western Highway
- reducing congestion caused by right turning vehicles queuing in the through lane
- improving safety for pedestrians.

We have included a map to show the location of the proposal.

How can you give feedback?

We invite your feedback on the proposal by **Friday 9 June 2017**. Please send your comments to our delivery partner, DownerMouchel, via nsw_projects@downermouchel.com or:

DownerMouchel, Great Western Highway, Eastern Creek
PO Box 6465
North Ryde NSW 2113

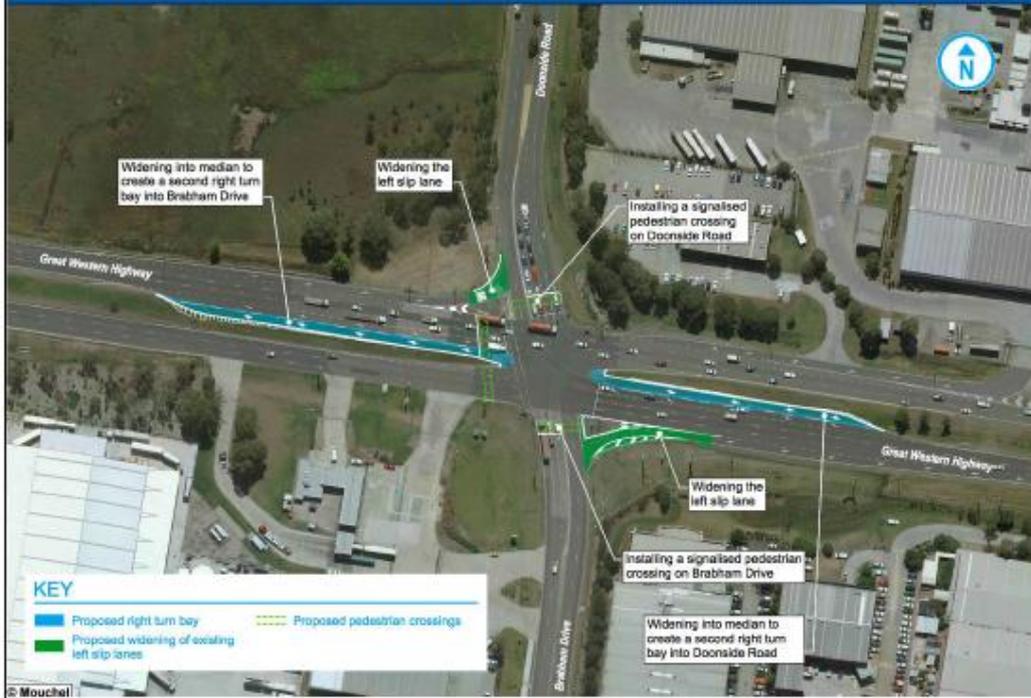

We will consider all feedback and continue to update you as the proposal progresses.

Contact

If you have any questions, please contact our delivery partner DownerMouchel on 1800 332 660 or nsw_projects@downermouchel.com.
