

Project update for Heathcote Road Upgrade between Infantry Parade, Holsworthy and The Avenue, Voyager Point

The NSW Government is providing \$4 million to plan and design a 2.2 kilometre upgrade of Heathcote Road from two lanes to four lanes to reduce congestion, increase road safety and improve pedestrian and cyclist connectivity to Holsworthy Station and Hammondville Park.

Roads and Maritime Services sought comments from the community and stakeholders on the proposed project in July 2015.

We would like to thank everyone who took the time to consider our proposal and provide feedback.

We received comments from 19 people and organisations, raising more than 55 different matters. The majority of comments supported the proposal.

Following a review of community and stakeholder comments, we have decided to proceed with the concept design development and environmental impact assessment for this proposed project.

We have prepared a Community Consultation Report, which summarises the feedback and our responses. A copy of this report is available at rms.nsw.gov.au/projects or by contacting the project team on 1800 749 119 or email HeathcoteRoadUpgrade@rms.nsw.gov.au.

What happens next?

We will now prepare the concept design and carry out an environmental impact assessment. We will keep the community and stakeholders updated as this proposal progresses.

Contact

If you have any questions, please call our Project Manager, Sharen Sordo on 02 8849 2931 or email HeathcoteRoadUpgrade@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.
