

## **Extension of investigation work for proposed intersection improvements at Henry Lawson Drive, Georges Hall from Monday 19 March**

The NSW Government is funding this investigation as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney's busiest corridors

Roads and Maritime Services will continue to carry out investigation work to help develop a design for intersection improvements at Henry Lawson Drive and Rabaul Road, Endeavour Road and Haig Avenue, Georges Hall.

We have previously completed surveying to locate stormwater drainage and underground utilities and carried out a traffic survey which required a camera to be affixed to a traffic light on Haig Avenue. We were scheduled to complete drilling to establish ground conditions by Wednesday 28 February but had to postpone a number of shifts as a result of scheduling conflicts.

We have included a map to show the location of the remaining work.

### **Our work schedule**

To complete the remaining work, we will be back on site for another **four night shifts** between **Monday 19 March** and **Friday 13 April 2018**, weather permitting. Our work hours will be between **9pm** and **5am** from **Sunday to Friday**. We will not work on public holidays.

### **How will the work affect you?**

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by **11pm**.

### **Traffic changes**

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### **Contact**

If you have any questions, please contact our project manager, Ken Lui, on 1800 572 004 during business hours or [pinchpoint@rms.nsw.gov.au](mailto:pinchpoint@rms.nsw.gov.au).

For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au).

Thank you for your patience during this important work.
