

Investigation work on Hill Road and Parramatta Road, Lidcombe from Wednesday 9 November

The NSW Government is investigating a westbound off-ramp from the M4 to Hill Road, Lidcombe to support the development growth in the Carter Street Urban Priority Precinct and improve traffic efficiency, accessibility and enhance road safety for all road users.

Roads and Maritime Services will carry out investigation work, which includes drilling boreholes within the existing carriageway and road reserve at Hill Road and Parramatta Road, Lidcombe.

There will be up to **five night shifts** from **Wednesday 9 November to Thursday 17 November**, weather permitting. Our working hours will be from **9pm to 5am, Mondays to Fridays**.

We have included a map to help explain the location of the work.

How will the work affect you?

There will be noise associated with this work, but we will make every effort to minimise its impact including organising work to allow opportunities for respite. Access to properties in the work zone may be affected during working hours. Work that takes place in front of properties will be of a temporary nature and efforts will be made to avoid blocking driveways and property access.

In the unlikely case where a driveway is blocked when access is required, please speak to the person on-site carrying out the work or if known in advance contact Sri Sriramanan on 9352 9568. Every effort will be made to accommodate your requests.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Lane closures will be in place during night work and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our Project Engineer, Sri Sriramanan on 9352 9568 or email sri.sriramanan@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
