

## Field investigation work on Hoxton Park Road and Hill Road, Lurnea from Monday 5 September

**The NSW Government is funding this work as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney's busiest corridors.**

Roads and Maritime Services will be carrying out work, which includes investigating ground conditions, locating underground utilities, drilling holes and then reinstating the pavement. We have included a map to explain the work's location.

We carried out investigation work at this location in June, but further investigations will need to be carried out for **four shifts** between **Monday 5 September** and **Friday 30 September**, weather permitting. Our working hours will be from **8pm** to **5am**.

### How will the work affect you?

There may be some noise associated with this work but we will make every effort to minimise it and complete the noisier activities by **11pm**.

### Community consultation

In July 2016, Roads and Maritime consulted the community on a proposal to build a dedicated left turn lane from Hoxton Park Road into Hill Road. We thank everyone who provided comments during the consultation period and the community and stakeholders for considering the proposal. We will respond directly to people who provided feedback. A Community Consultation Report is being prepared and will be made available to the public on Roads and Maritime's website in the coming months. We will continue to keep the community informed about this proposal.

### Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures may be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### Contact

If you have any questions, please call our delivery partner DownerMouchel on 1800 332 660 or email [nsw\\_projects@downermouchel.com](mailto:nsw_projects@downermouchel.com)

For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au)

---

Thank you for your patience during this important work.
