Continuing investigation work in Hinchinbrook from Thursday 21 June

The NSW Government is funding this proposal as part of its $300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney’s business corridors.

Roads and Maritime Services will continue carrying out investigation work which includes checking ground conditions, locating utilities, drilling holes and saw-cutting, as well as reinstating the road surface and footpaths to help inform the design of proposed improvements to the Hoxton Park Road, Whitford Road, Banks Road and Joadja Road intersection in Hinchinbrook.

We have included a map to show the location of the work.

Our work schedule

We will be on site for an additional 20 night shifts between Thursday 21 June and Wednesday 12 September, weather permitting. Our night work hours will be between 8pm and 5am from Sunday to Friday.

How will the work affect you?

Our work may be noisy at times, however we will do everything we can to minimise its impact, including completing noisier activities by 11pm.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
Contact

If you have any questions, please contact our Project Manager Trung Huynh during business hours, on 1800 572 004 or pinchpoint@rms.com.au.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
