

Upgrading pinch point at Hoxton Park Road and Whitford Road, Hinchinbrook from Wednesday 17 April

Roads and Maritime Services is upgrading the intersection of Hoxton Park Road and Whitford Road in Hinchinbrook to ease congestion, reduce travel times and improve safety.

Residents from Hinchinbrook and surrounding suburbs often experience congestion and long wait times at the Hoxton Park Road and Whitford Road intersection. Road users accessing the M7 or travelling west along Hoxton Park Road also experience delays because of congestion at this intersection.

To address this, Roads and Maritime is widening Hoxton Park Road and Whitford Road to:

- create a second dedicated right turn lane from Hoxton Park Road onto Whitford Road improving traffic flow for local residents
- allow turning to traffic to wait in dedicated lanes, rather than queuing along Hoxton Park Road, enabling westbound motorists to freely travel through the intersection.

With the Liverpool City Council we will be creating a second dedicated right turn lane from Whitford Road onto Hoxton Park Road westbound.

Our work schedule

We will be on site for up to **five day and five night shifts** a week between **April and September 2019**, excluding public holidays.

For this upcoming work we will be on site for up to **45 night and 45 day shifts** between **Wednesday April 17 and Wednesday 17 July 2019**, weather permitting.

Our day work hours will be between **7am and 6pm** from **Monday to Friday** and between **8am to 1pm** on **Saturday**. Our night hours will be between **8pm and 6am** from **Sunday to Friday**.

Contact

If you have feedback or concerns about the work schedule, or would like to know more about this project, please contact our delivery partner Ward Civil team on 1800 897 841 or hoxtoncomms@wardcivil.com.au.

For information on other pinch points across Liverpool, please visit rms.work/urbanpinchpoints.

Thank you for your patience during this important work.

Upcoming work

We will continue road work which includes adjusting traffic signals, upgrading stormwater drainage, demolishing existing footpaths and asphaltting.

We will continue to update you on this project as work progresses, including informing you in advance about future work schedules and night work.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities, like saw-cutting concrete, jack-hammering and breaking up concrete, by **midnight**.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Lane closures may be in place and will affect travel times. Please keep to speed limits and follow the directions of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

More intersection upgrades

Roads and Maritime is also upgrading a number of intersections in the local area, including:

- Elizabeth Drive and Marsden Road, Liverpool intersection
- Hoxton Park Road and Hume Highway, Liverpool intersection.

Each upgrade will ease congestion, reduce traffic delays and improve travel times for Liverpool residents and motorists.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 897 841.
