## **Project update – Hoxton Park Road and Whitford Road, Hinchinbrook**

**The NSW Government is funding this proposal as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney’s busiest corridors.**

Roads and Maritime invited feedback on the proposal in December 2017 for intersection improvements at Hoxton Park Road and Whitford Road in Hinchinbrook.

We received feedback from two people and one organisation supporting the proposal, and one person who did not state a preference. Key matters raised included:

- inability for vehicles to turn right into and out of Wilson Road
- increased congestion in the area
- speeding on Whitford Road
- road user safety
- reconfiguration of Whitford Road approach lanes.

We thank everyone for considering the proposal and for their feedback.

After considering all responses, along with the proposal’s aims and design requirements, we have decided to proceed with the proposal, with minor changes to convert the lane configuration of Whitford Road southbound to dual dedicated right turn lanes and a shared through/left turn lane.

### **Next steps**

Roads and Maritime will finalise the detailed design and environmental assessment for the project.

We will continue to keep the community informed as the project progresses.

### **Contact**

If you have any questions, please contact our Project Manager, Trung Huyhn, on 1800 572 004 or [pinchpoint@rms.nsw.gov.au](mailto:pinchpoint@rms.nsw.gov.au).
