Investigation work near the intersections of Hoxton Park Road and Whitford Road, Banks Road, Joadja Road, Flowerdale Road and Hume Highway, Liverpool

The NSW Government is funding this investigation work as part of its $300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney’s busiest corridors.

Roads and Maritime Services is carrying out survey and geotechnical investigation work near the intersections of Hoxton Park Road and Whitford Road, Banks Road, Joadja Road, Flowerdale Road and Hume Highway, Liverpool. This will include investigating ground conditions, locating utilities, drilling holes and reinstating pavements. To minimise the impact on traffic and to ensure the safety of workers and road users, most of this work will be carried out at night.

We have included maps to show the location of the work.

The investigation work will be carried out between Tuesday 20 June and Thursday 31 August 2017, excluding weekends and public holidays, weather permitting. The work will be completed in about 20 night shifts. Our night working hours will be between 8pm and 5am.

Some work will also be carried out during the day. Our day working hours will be between 7am and 6pm from Monday and Friday.

How will the work affect you?

There may be some noise associated with some of the work, but we will complete it as quickly as possible to minimise any disruptions, including completing the nosier work by 11pm.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures may be in place and may affect travel times. Please keep to speed limits and follow the directions of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our Project Engineer, Trung Huynh, during business hours, on 02 8849 2411 or pinchpoints@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au. Thank you for your patience during this important work.
