

## Investigation work at the intersections of Hoxton Park Road and Whitford Road, Banks Road and Joadja Road, Liverpool, from Monday 10 April 2017

**The NSW Government is funding this investigation work as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney's busiest corridors.**

Roads and Maritime Services will be carrying out land and utility surveys, as well as geotechnical investigations. This includes investigating ground corridors, locating utilities, drilling holes, and then reinstating pavements. To minimise the impact on traffic and to ensure the safety of workers and road users, most of this work will be carried out at night.

The investigation work will take place along Hoxton Park Road and near the intersections of Whitford Road, Banks Road and Joadja Road in Liverpool.

We have included a map to show the location of the work.

The investigation work will be carried out between **Monday, 10 April** and **Friday, 9 June 2017**, excluding public holidays and weather permitting. Our night working hours will be between **8pm** and **5am**. We expect night work to take approximately **22 shifts** to complete.

Some work will also be carried out during the day. Our day working hours will be between **7am** and **6pm** from Monday and Friday.

### How will the work affect you?

There may be some noise associated with some of the work, but we will complete it as quickly as possible to minimise any disruptions, including completing the noisier work by **11pm**.

### Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures may be in place and will affect travel times. Please keep to speed limits and follow the directions of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

---

## Contact

If you have any questions, please contact our Project Engineer, Trung Huynh, during business hours, on 02 8849 2411 or pinchpoints@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
