

## New and extended clearways on James Ruse Drive, Briens Road and Old Windsor Road, from Clyde to Constitution Hill from Monday 27 November

**The NSW Government is funding this project as part of the \$121 million Clearways Program, which aims to manage congestion and delays on Sydney's roads.**

Roads and Maritime Services is installing new and extended clearways on James Ruse Drive, Briens Road and Old Windsor Road, from Parramatta Road, Clyde to Hart Drive, Constitution Hill. This change will help improve traffic flow on the Parramatta Outer Ring Road, which is part of the Greater Parramatta Infrastructure Implementation Plan. We have included a map to show the location of the new and extended clearways.

The new and extended clearways will replace the existing No Parking restrictions and operate in both directions **at all times on weekdays, weekends and public holidays.**

Supplementing the existing parking restrictions with clearways will help manage traffic flow and travel times by allowing us to tow vehicles that stop illegally or break down. This will ensure all lanes are available to traffic at all times.

### What is a clearway?

You must not stop or park on a length of road signed as a clearway during its hours of operation. If your vehicle is parked in a clearway during its hours of operation, it will risk being towed and fines applied. Public buses and taxis are permitted to stop in a clearway to set down or pick up passengers.

To report a vehicle parked in a clearway or if your vehicle has been towed from a clearway, please call Transport Management Centre on 131 700.

### What happens next?

The new clearway signs and posts will be installed between **Monday 6 November** and **Sunday 26 November**, weather permitting. Our working hours will be between **8pm** and **5am** from **Monday** to **Sunday**. There will be minimal noise associated with this work.

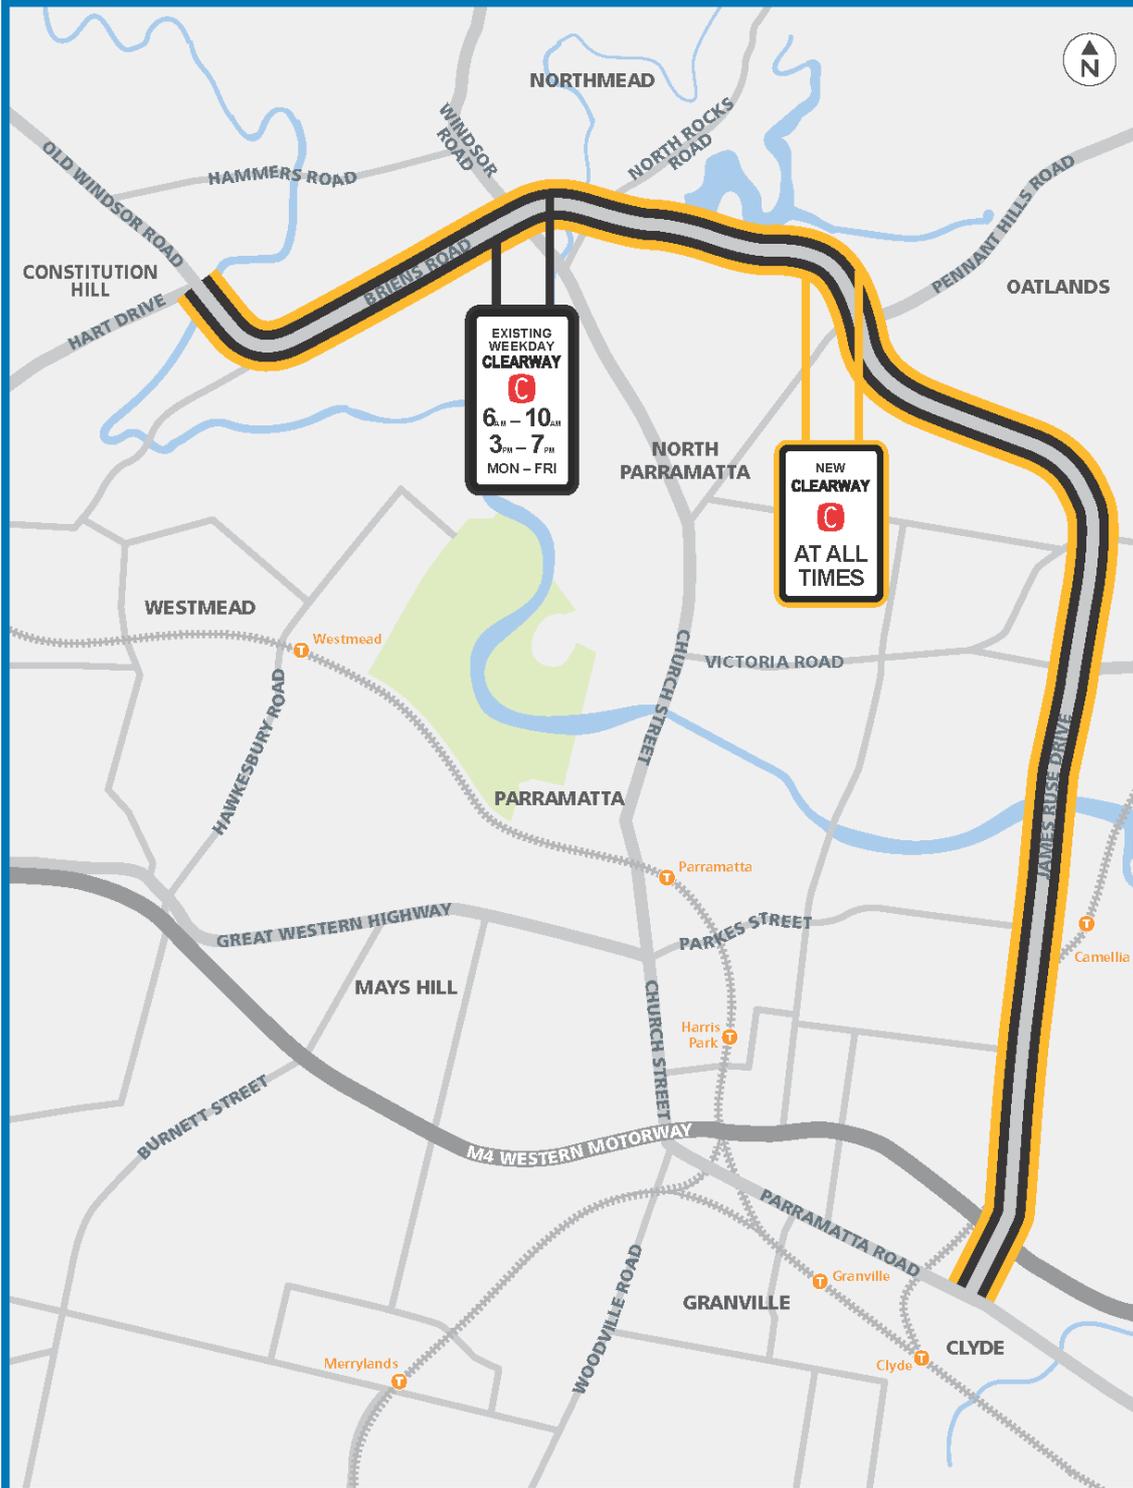

Changes to the clearways will be operational from **Monday 27 November**. Any vehicles parked in the clearways on or after this date would risk being fined and towed.

### Contact

If you have any questions or would like further information, please contact the Clearways project team on 1300 706 232 or [clearways@rms.nsw.gov.au](mailto:clearways@rms.nsw.gov.au). For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au). Thank you for your patience during this important work.
