

## Investigation work on Memorial Avenue, Kellyville from Tuesday 26 March

Roads and Maritime Services is upgrading Memorial Avenue to a four lane road to meet the future transport needs of Sydney's north west.

Roads and Maritime is upgrading Memorial Avenue to manage current traffic and to meet the future transport needs of Sydney's north west. The project will:

- increase road capacity from two lanes to four lanes
- improve safety for road users by installing:
  - traffic lights
  - a central median to separate traffic travelling in opposite directions
  - off-road shared paths for cyclists and pedestrians
- improve travel times and access between Blacktown and Castle Hill

As part of the project, we need to carry out investigation work along Memorial Avenue between Old Windsor Road and Windsor Road from **Tuesday 26 March**.

The work will include soil and pavement investigations at various locations along Memorial Avenue near the intersections of Windsor Road, Hector Court and Old Windsor Road. We will repair any disturbed footpaths or road following the work.

## Our work schedule

We will be on site for up to **five day** and **ten night shifts** between **Tuesday 26 March** and **Wednesday 8 May 2019**, weather permitting, excluding public holidays.

Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** to **1pm** on **Saturday**. Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**.

## Contact

If you have any questions, would like to register for project updates or have any feedback, please call 1800 784 847 or email [Memorial.Avenue.Upgrade@rms.nsw.gov.au](mailto:Memorial.Avenue.Upgrade@rms.nsw.gov.au).

For more information on the project, visit our project page online at [rms.work/memorialavenue](http://rms.work/memorialavenue).

Thank you for your patience during this important work.

## How will the work affect you?

Our work may be noisy at times. However we will do everything we can to minimise its impact, including completing noisier activities by **midnight**.

To minimise disruption to residents, businesses and road users, we will not work more than four nights in any week and no more than six night shifts a month.

The investigations will be carried out along Memorial Avenue on public property. We will notify local residents closest to investigation work with a door knock ahead of time.

## Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## What happens next?

We will continue to update the community as the Memorial Avenue upgrade progresses.
