

# Kirrawee Pedestrian Bridge

## Start of work

Roads and Maritime Services | March 2019

The NSW Government is funding this pedestrian bridge as part of its \$300 million Gateway to the South Pinch Point Program.

Roads and Maritime Services is installing a pedestrian bridge at the intersection of the Princes Highway and Bath Road, across the Princes Highway. The pedestrian bridge will improve accessibility for local residents, children and members of the community with mobility requirements.

Work will start on **4 March 2019**.

## Key benefits

- Increased pedestrian safety
- Safer access for school children, prams and low mobility pedestrians
- Improves Sydney's walking network and pedestrian connectivity.

## Features of the bridge

The design of the bridge will include a steel arch with the following features:

- two lifts, one each side of the bridge to accommodate 21 people
- two stairways, one each side
- closed circuit television (CCTV) cameras.

## Our work schedule

We will be on site for up to **six days a week** for **186 shifts** and up to **six nights a week** for **42 shifts** for **38 weeks** between **4 March 2019** and **November 2019**, weather permitting

Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and **8am** to **1pm** on **Saturday**. Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**. We will not be working on public holidays.

## What will the work include:

- investigation and relocation of utilities
- construction of concrete lift shafts and concrete stairs
- delivery and installation of the bridge span
- installation of pedestrian fencing along the median of Princes Highway between Oak Rd and The Kingsway
- mechanical and electrical fitout of bridge including lifts, lighting and CCTV
- upgrading of footpaths and pram ramps near the bridge
- landscaping.

## The first stage of work will include:

- setting up site compound and temporary fencing
- investigation of utilities
- geotechnical investigation.

## How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **midnight**, using non-tonal reversing alarms on heavy vehicles, switching off plant equipment when not in use.

## Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures may be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call **132 701**, visit **livetraffic.com** or download the Live Traffic NSW App.

## What's happening in the area

To help get traffic moving in the Sutherland area, Roads and Maritime Services is making other improvements to the road network.

- Improvements to Princes Highway and Port Hacking Road intersection are now open to traffic.
- Work to upgrade the intersection of Taren Point Road, Captain Cook Drive and The Boulevard has started.
- Work to upgrade the intersections of the Princes Highway and Acacia Road, Oak Road, Kingsway and President Avenue are ongoing.
- Early work at Elouera Road and Kingsway, Cronulla are complete with major work starting in mid-2019.

These improvements will ease help congestion for road users and improve pedestrian safety.
