

# Night work on M4 Motorway between Mamre Road and Reservoir Road, from Tuesday 5 December

Roads and Maritime Services | November 2017

The NSW Government is investing \$470 million to build the M4 Smart Motorway project, which will introduce intelligent technology to the M4 between Pitt Street, Mays Hill and Russell Street, Lapstone

Roads and Maritime Services will continue investigating and relocating the underground utilities, carrying out survey and geotechnical investigations and removing vegetation on the M4 Motorway between Mamre Road, St Marys and Reservoir Road, Eastern Creek.

Work starting includes installing and removing signage and safety barriers, drainage, earthworks for maintenance bays and the motorway widening, pavement work, road maintenance and line marking.

We have included a map to show the location of the work.

## Our work schedule

We will be on site for up to **34 night shifts** between **Tuesday 5 December** and **Wednesday 31 January**, weather permitting. Our night work hours will be between **6pm** and **7am** from **Sunday** to **Friday**.

Work will not take place during the Christmas/New Year period, from Friday 22 December to Sunday 7 January, nor on public holidays.

## How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities earlier in the shift

## Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
