

## M5 Westbound upgrade between Moorebank Avenue and Hume Highway continuing investigation work from Friday 11 December

Transport for NSW is planning to improve the M5 Motorway westbound between Moorebank Avenue and the Hume Highway. We have identified a design to upgrade the M5 Motorway in this area to reduce congestion and improve the surrounding road network efficiency.

We previously wrote to you about our investigation work to assist with planning the upgrade. The investigation work is ongoing and will continue till the end of January 2021. The work will include geotechnical, utility investigations and survey work in a number of locations.

### Investigation work on M5, Moorebank Avenue and Hume Highway, Moorebank

### How will the work affect you?

We will continue to carry out investigation work during the day and some activities at night. The work will occur in number of locations along the M5 Motorway, Moorebank Avenue and the Hume Highway. Our activities include:

- Concrete saw cutting
- Vacuum excavating
- Locating utilities
- Core drilling
- Surveying
- Reinstating the surface after the work.

Our work may be noisy at times but we will do everything we can to minimise its impact.

## Our work schedule

We will be on site for investigation work between **Friday 11 December 2020** and **Friday 29 January 2021**, weather permitting.

Our day work hours will be from Monday to Friday between 7am and 6pm and Saturday between 8am and 1pm. Our night work hours will be from Sunday and Thursday between 9pm and 5am.

We will not work over the holiday period between Thursday 24 December 2020 and Sunday 3 January 2021.

## Contact us

If you have any questions please contact the project team on 1800 519 525 or email [m5moorebank@rms.nsw.gov.au](mailto:m5moorebank@rms.nsw.gov.au).

## Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Lane closures may be in place and will affect travel times.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
