

## Macquarie Park Bus Priority and Capacity Improvements project site compound establishment from Monday, 26 February

The NSW Government is funding this work as part of the Bus Priority Infrastructure Program, which aims to improve the reliability and efficiency of bus services, while easing congestion for all road users.

Roads and Maritime Services is establishing a temporary site compound for use during construction of the Macquarie Park Bus Priority and Capacity Improvements project from Monday, 26 February at 166a Epping Road, near the corner of Whiteside Street in North Ryde.

The work will involve setting up the site and includes minor earthworks; sealing and asphalt work to establish hardstand areas; installing fencing, site sheds and environmental controls; and clearing and trimming vegetation.

The site compound will be used for:

- site offices and amenity sheds for workers
- car parking for workers
- laydown area for equipment
- storage of materials
- storage of containers
- delivery of plant and equipment.

The compound will be used for the duration of stage one of the project and may be used outside our standard working hours. Stage one is expected to be completed in August 2018.

The attached map shows the location of the site compound.

### Our schedule

We will be using the site compound up to **6 nights** a week between **8pm** and **5am**. The compound will also be used between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturdays**.

### How will the work affect you?

There may be some noise and possible disruption associated with vehicle movements during set up and use of this compound. Machinery and equipment used during the setup may include excavators, trucks, rollers, mobile cranes, concrete trucks and equipment, power generators, hand tools and light vehicles.

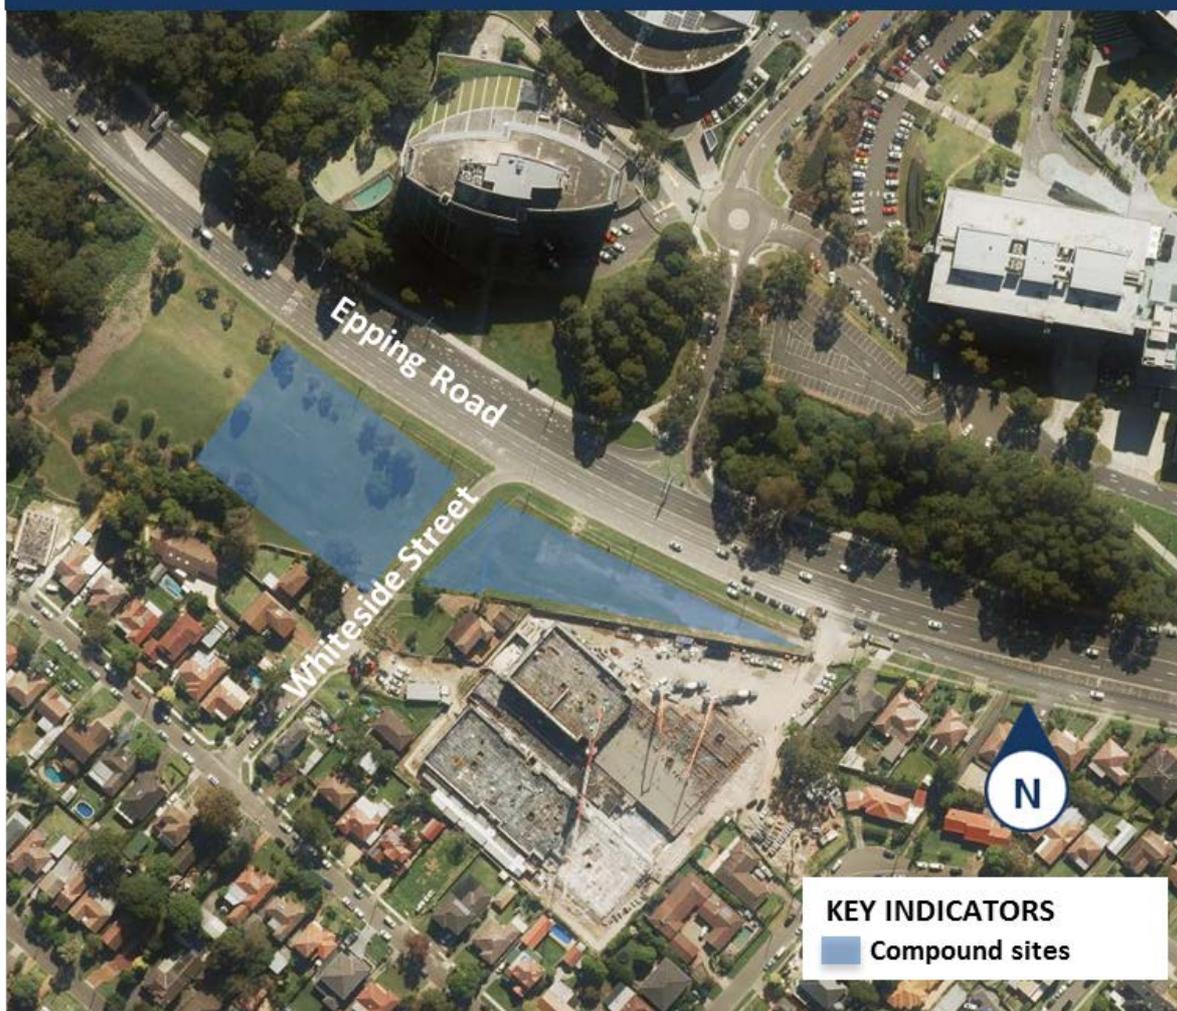

We are committed to minimising the impact of establishing the compound on the community and will continue to keep you informed as the project progresses.

## Contact

If you have any questions, please contact our delivery partner Ward Civil during business hours, on 1800 686 870 or [buspriority@wardcivil.com.au](mailto:buspriority@wardcivil.com.au). For more information on our projects, please visit [rms.nsw.gov.au/macparkbus](https://rms.nsw.gov.au/macparkbus).

Thank you for your patience during this important work.

## Location of compound sites at the corner of Epping Road and Whiteside Street, North Ryde
