

Meadowbank Wharf upgrade

Community update 1

APRIL 2015

The existing Meadowbank Wharf

As part of the Transport Access Program - an ongoing initiative to deliver modern, safe and accessible transport infrastructure - Transport for NSW has announced its latest proposal to deliver a new wharf at Rhodes and accessibility upgrades and interchange improvements at eight ferry wharves, including Birchgrove, Cockatoo Island, Chiswick, Abbotsford, Cabarita, Meadowbank, Rydalmere and Parramatta.

Transport Access Program

Transport for NSW is improving Sydney's ferry services for customers. New and upgraded wharves and interchanges are being delivered as part of the NSW Transport Access Program. This program has already delivered new facilities at Milsons Point, Neutral Bay, Rose Bay, Balmain (Thames Street) and Huntleys Point, Cremorne Point, Mosman Bay and Drummoyne. Wharf upgrades are currently in progress at Balmain East, Sydney Olympic Park, McMahons Point and Pyrmont.

Customer benefits

The Transport Access Program will provide the following benefits:

- Improved customer amenity such as better protection from the wind, rain and sun, seating and waiting areas
- Improved safety for customers
- Improved access for mobility impaired customers and customers with prams
- Quicker and more efficient boarding and disembarking
- Increased wharf capacity for future growth of ferry services
- More efficient interchanges with other modes of transport, both public and private, and better way finding signage.

Community feedback session

We would like to know more about how you travel to the ferry, when you use the service, your views about the current facilities and priorities for improvement. You are welcome to drop in any time between 5pm and 7pm at:

Venue: **Meadowbank wharf waiting area, Bowden Street.**

Date: **Monday 4 May 2015, 5pm to 7pm.**

Visit our website (details below) to find out more about the Wharf Upgrade Program and complete our online survey. The closing date for this initial round of general feedback is Monday 18 May, 2015. Further consultation will be held on the preferred design for the wharf and interchange upgrade later in the year.

What happens next?
