

Mona Vale Road East Out of hours work

Out of hours work will take place to remove the roundabout at the intersection of Mona Vale Road and Ponderosa Parade. We will work between **8pm** and **5am** on the following dates, weather permitting:

Tuesday 11, Wednesday 12 and Friday 14 February.

If work is delayed due to wet weather, we will try and work a different night within the same week. We will notify residents living closest to the work if the dates change from the above.

Our work in this area will include:

- hammering and excavating the concrete islands located around the roundabout
- removing the concrete roundabout
- saw cutting the road to prepare for future utility work
- utility investigations
- installing a temporary roundabout.

We will use excavators with buckets and hammers, bobcats, saw cutters, lighting, rollers and light vehicles.

A stop/slow arrangement will be in place with traffic controllers and signage directing traffic.

To minimise the impact of night work on residents, we do not work for more than two consecutive nights in the same area and will work only 10 days within the same month. If you are eligible for Alternative Accommodation you will be advised within 24 hours of the work.
